Investment Strategy

The Scheme aims to generate long-term capital appreciation by investing in companies that derive the majority of their income from businesses operating in the services sector of the economy.

India's services sector is an essential part of its economy, contributing significantly to GDP, driving job creation, and enhancing global competitiveness. The ongoing digital transformation and policy reforms continue to shape its trajectory, ensuring its crucial role in India's economic future. The diversity within the services sector not only contributes to economic output but also provides employment opportunities for millions of Indians, accounting for significant workforce.

Below is an indicative, but not exhaustive, list of services sectors/industries in which the scheme intends to invest.

- Information Technology (IT) and Software Services
- Business Process Outsourcing (BPO)
- Consumer Services & Retailing
- Financial Services
- Hospitals and Healthcare Services including Diagnostics
- Education, Training and Staffing
- Telecommunications and Internet Services
- Tourism and Hospitality
- Media, Entertainment and Publication
- Utilities
- Services Commercial Services, Engineering & Design Services, Transportation & Logistics
- Power & Gas Transmission
- Any other industry/sector that forms part of the benchmark index or the sectors within the same industry, as per the AMFI Industry Classification revised from time to time.

The scheme may invest upto 20% of its total assets in equities and equity related securities

of other than services.

While making investment decisions, besides other factors, the impact of the prevailing economic environment over the medium to long term prospects of the companies will also be taken into consideration.

The Scheme will be actively managed and will have the flexibility to invest across market capitalization and sectors using both bottom-up stock selection and top-down approach. The portfolio strategy will focus on building focused, high conviction, high-quality and high-Growth portfolio.

The portfolio will essentially follow MOAMC's QGLP philosophy – i.e. invest in Quality businesses with reasonable Growth potential and with sufficient Longevity of that growth potential at a fair Price. The scheme shall follow an active investment style and will seek to invest in companies with a strong competitive position or economic moat, good business prospects, run by a competent management that will help them achieve good growth over the medium to long term and available at reasonable valuations.

The AMC will endeavor to meet the investment objective of the Scheme while maintaining a balance between safety, liquidity and return on investments.

Stock Lending

Stock Lending is lending of securities through an approved intermediary to a borrower under an agreement for a specified period with the condition that the borrower will return equivalent securities of the same type or class at the end of the specified period along with the corporate benefits accruing on the securities borrowed.

Portfolio Turnover

Portfolio Turnover is defined as the lower of sales or purchase divided by the average corpus during a specified period of time. The Scheme, being an open ended Scheme, it is expected that there would be a number of subscriptions and redemptions on a daily basis. However, it is difficult to measure with reasonable accuracy the likely turnover in the portfolio of the Scheme.

Risk Profile of the Scheme

Mutual Fund Units involve investment risks including the possible loss of principal. Please read the SID carefully for details on risk factors before investment. Scheme specific Risk Factors are summarized below:

Scheme Specific Risk Factors:

Motilal Oswal Services Fund is a thematic equity fund that primarily invests in companies operating within the services sector, excluding manufacturing companies from its portfolio. This focused investment strategy means that the Scheme's performance is directly influenced by the growth and risks associated with service-based industries rather than the broader economy.

Since manufacturing companies are not included, the Scheme's returns may differ significantly from the overall equity market, particularly during periods when the manufacturing sector outperforms the services sector. Economic conditions, industrial growth cycles, and global trade dynamics often have a greater impact on manufacturing businesses, whereas service companies are more influenced by factors like consumer demand, technological advancements, and regulatory changes. As a result, investors should be aware that this scheme may not capture the broader market trends and could underperform during phases where manufacturing-driven industries experience stronger growth.

For details on risk factors and risk mitigation measures, please refer SID.

Plans/Options

The Scheme has two Plans:

- (i) Regular Plan and
- (ii) Direct Plan

Each Plan will offer: (i) Growth Option and (ii) Income Distribution cum Capital withdrawal (IDCW) Option.

Regular Plan is for Investors who purchase/subscribe units in a Scheme through any Distributor (AMFI Registered Distributor/ARN Holder). Direct Plan is for investors who purchase/subscribe units in a Scheme directly with the Fund and is not routed through a Distributor (AMFI Registered Distributor/ARN Holder).

IDCW Option: -

Under this Option, the Trustee reserves the right to declare IDCW under the Scheme depending on the net distributable surplus available under the Option. It should, however, be noted that actual declaration of IDCWs and the frequency of distribution will depend, inter-alia, on the availability of distributable surplus and will be entirely at the discretion of the Trustees or any Committee authorised by them.

If IDCW payable under the IDCW payout option is equal to or less than Rs. 500/-, then it would be compulsorily re-invested in the Option of the Scheme.

Pursuant to clause 11.2 of SEBI Master Circular No. SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024, IDCW can be distributed out of investor's capital (Equalization Reserve), which is part of sale price that represents realized gains.

*Income Distribution cum capital withdrawal option.

Growth Option: -

All Income earned and realized profit in respect of a unit issued under that will continue to remain invested until repurchase and shall be deemed to have remained invested in the option itself which will be reflected in the NAV.

The AMC reserves the right to introduce further Options as and when deemed fit.

Investors subscribing Units under Direct Plan of a Scheme should indicate "Direct Plan" against the Scheme name in the application form. Investors should also mention "Direct" in the ARN column of the application form. The table showing various scenarios for treatment of application under "Direct/Regular" Plan is as follows:

Scenar	Broker	Code	Plan mentioned by the	Default Plan to
io	mentioned		investor	be captured
	by the investor			
1	Not mentioned		Not mentioned	Direct
2	Not mentioned		Direct	Direct
3	Not mentioned		Regular	Direct
4	Mentioned		Direct	Direct
5	Direct		Not Mentioned	Direct
6	Direct		Regular	Direct
7	Mentioned		Regular	Regular
8	Mentioned		Not Mentioned	Regular

In cases of wrong/ invalid/ incomplete ARN code mentioned on the application form, the application will be processed under Regular Plan. The AMC shall contact and obtain the correct ARN code within 30 calendar days of the receipt of application form from the investor/ distributor. In case, the correct code is not received within 30 calendar days, the AMC shall reprocess the transaction under Direct Plan from the date of application without any exit load, if applicable.

If the investor does not clearly specify the choice of option at the time of investing, it will be deemed that the investor has opted for Growth option and in case he does not specify payout/re-investment under IDCW option, it will be deemed to be IDCW reinvestment.

Dividend Policy	The Trustees may declare IDCW subject to the availability of distributable surplus calculated in accordance with SEBI (Mutual Funds) Regulations, 1996. The actual declaration of IDCW and the frequency of distribution will be entirely at the discretion of the Trustees. There is no assurance or guarantee to Unit holders as to the rate of IDCW distribution nor that the IDCWs will be declared regularly, though it is the intention of the Mutual Fund to make regular IDCW distribution under the IDCW Plan. The IDCW would be paid to the Unitholders whose names appear in the Register of Unitholders as on the record date.
	IDCW Distribution Procedure In accordance with SEBI Regulations, the procedure for IDCW distribution would be as under:
	When units are sold, and sale price (NAV) is higher than face value of the unit, a portion of sale price that represents realized gains is credited to an Equalization Reserve Account and which can be used to pay IDCW. IDCW can be distributed out of investor's capital (Equalization Reserve), which is part of sale price that represents realized gains. The Trustee reserves the right to change/modify the aforesaid requirements at a later date in line with SEBI directives from time to time.
	Quantum of IDCW and the record date will be fixed by the Trustee in their meeting. IDCW so decided shall be paid, subject to availability of distributable surplus. Within one calendar day of decision by the Trustee, the AMC shall issue notice to the public communicating the decision about the IDCW including the record date, in one English daily newspaper having nationwide circulation as well as in a newspaper published in the language of the region where the head office of the Mutual Fund is situated, whichever is issued earlier.
	Record date shall be the date, which will be considered for the purpose of determining the eligibility of investors whose names appear on the register of Unitholders for receiving IDCWs. The Record Date will be 2 working days from the date of issue of notice. The notice will, in font size 10, bold, categorically state that pursuant to payment of IDCW, the NAV of the Scheme would fall to the extent of payout and statutory levy (if applicable). The NAV will be adjusted to the extent of IDCW distribution and statutory levy, if any, at the close of business hours on record date. Before the issue of such notice, no communication indicating the probable date of IDCW declaration in any manner whatsoever will be issued by Mutual Fund.
