23-07-2025	TCI Express Limited	AGM	Management	Re-pricing of stock options granted to the employees of the Company, under Employee Stock Option Plan-2016 and extending vesting and exercise period of the same.	FOR	AGAINST	Although, compliance concerns identified in the original scheme prevail, however, amendment proposed compliant with law. Governance Concern: Re-pricing of stock options not in line with the interest of the shareholders. If investors cannot recover their actual losses due to poor performance of the Company in the markets, employees and management of the Company should not recoup their losses through option re-pricing. Further, the increased vesting period is in the form of a range which goes upto a maximum period of 5 years. If the revised vesting period is set at a period which is already served or almost served by any employee, then such an employee may be able to exercise the options at the revised price immediately without any effective increase in the vesting period. Increased Vesting Period are not supported with objective performance parameters.
