PART II. INFORMATION ABOUT THE SCHEME

A. HOW WILL THE SCHEME ALLOCATE ITS ASSETS

The asset allocation pattern of the Scheme would be as follows:

Instruments	Indicative allocations (% of total assets)	
	Minimum	Maximum
Constituents of BSE 1000 Index	95%	100%
Units of Liquid schemes and Money Market instruments	0%	5%

Money Market Instruments includes commercial papers, commercial bills, treasury bills, Government securities having an unexpired maturity upto one year, Tri-Party Repos, certificate of deposit, usance bills and any other like instruments as specified by the RBI from time to time.

As per para 13.18.1 of SEBI Master Circular on Mutual Funds, the cumulative gross exposure through Constituents of BSE 1000 Index and units of Liquid schemes / Money Market Instrument, derivative positions, other permitted securities/assets and such other securities/assets as may be permitted by the Board from time to time will not exceed 100% of the net assets of the scheme.

Cash and cash equivalents as per Pursuant to para 13.18.6 (a) of SEBI Master Circular on Mutual funds and SEBI letter no. Subject to the SEBI Regulations as applicable from time to time, the Scheme may, participate in securities lending.

Portfolio Turnover

Portfolio Turnover is defined as the lower of sales or purchase divided by the average corpus during a specified period of time. The Scheme, being an open ended Scheme, it is expected that there would be a number of subscriptions and redemptions on a daily basis. However, it is difficult to measure with reasonable accuracy the likely turnover in the portfolio of the Scheme.

Tracking Error

Tracking error is defined as the standard deviation of the difference between the daily returns of the Underlying Index and the NAV of the Scheme. Theoretically, the corpus of the Scheme has to be fully invested in the securities comprising the Underlying Index in the same proportion of weightage as the securities have in the Underlying Index. However, it is not possible to invest as per the objective due to reason that the Scheme has to incur expenses, corporate actions pertaining to the Index including changes to the constituents, regulatory policies, ability of the Fund Manager to closely replicate the Underlying Index, lack of liquidity, etc. The Scheme's returns may therefore deviate from those of its Underlying Index. Tracking Error may arise due to the following reasons:

1. Fees and expenses of the Scheme.
2. Cash balance held by the Scheme due to dividend received, subscriptions, redemption, etc.
3. Halt in trading on the stock exchange due to circuit filter rules.
4. Corporate actions
5. The Scheme has to invest in the securities in whole numbers and has to round off the quantity of securities shares.
6. Delay in dividend payout, and withholding tax on dividend.
7. Changes in the constituents of the underlying Index. Whenever there are any changes, the Scheme has to reallocate its investment as per the revised Index but market conditions may not offer an opportunity to rebalance its portfolio to match the Index and such delay may affect the NAV of the Scheme.
8. Lack of Liquidity

The AMC would monitor the tracking error of the Scheme on an ongoing basis and would seek to minimize tracking error to the maximum extent possible. Under normal market circumstances, such tracking error is not expected to exceed by 2% p.a.

In case of unavoidable circumstances in the nature of force majeure, which are beyond the control of the AMC, the tracking error may exceed 2% and the same will be intimated to the Trustees with corrective actions taken by the AMC, if any.

Tracking Error: The Fund shall disclose the tracking error based on past one year rolling data, on a daily basis, on the website of the Mutual Fund and AMFI.

Tracking Difference: The annualized difference of daily returns between the index and the NAV of the Fund shall be disclosed on the website of the Mutual Fund and AMFI, on a monthly basis, for tenures 1 year, 3 years, 5 years, 10 years and since the date of allotment of units.

D. HOW WILL THE SCHEME BENCHMARK ITS PERFORMANCE?

The performance of the Scheme will be benchmarked against BSE 1000 Total Return Index. As the Scheme is an Index Scheme and BSE 1000 Total Return Index is ideal benchmark for this scheme, the investment objective of the scheme is replicate / track the performance of the index.

Total Return variant of the index (TRI) will be used for performance comparison.

The benchmark shall be in compliance of the aforesaid norms.

PART III- OTHER DETAILS

A. COMPUTATION OF NAV

The Net Asset Value (NAV) per unit under the Scheme will be computed by dividing the net assets of the Scheme by the number of units outstanding on the valuation day. The Mutual Fund will value its investments according to the valuation norms, as specified in Schedule VII of the SEBI (MF) Regulations and para 9.1 of SEBI Master Circular on Mutual Funds, or such norms as may be specified by SEBI from time to time.

The Net Asset Value (NAV) of the units under the Scheme shall be calculated as follows:

$$\text{NAV (Rs.)} = \frac{\text{Market or Fair Value of Scheme's investments} + \text{Current Assets} - \text{Current Liabilities and Provision}}{\text{No. of Units outstanding under Scheme on the Valuation Day}}$$

The NAV will be calculated up to four decimals.

The NAV shall be calculated and disclosed on each business day. The computation of NAV shall be in conformity with SEBI Regulations and guidelines as prescribed from time to time.

Illustration of NAV:

If the net assets of the Scheme, after considering applicable expenses, are Rs.10,45,34,345.34 and units outstanding are 10,00,0000, then the NAV per unit will be computed as follows:

$$10,45,34,345.34 / 10,00,000 = \text{Rs. } 10.4534 \text{ per unit (rounded off to four decimals)}$$

The repurchase price shall not be lower than 97% of the NAV. For other details such as policies w.r.t computation of NAV, rounding off, investment in foreign securities, procedure in case of delay in disclosure of NAV etc. refer to SAI.

B. NEW FUND OFFER (NFO) EXPENSES

These expenses that are incurred for the purpose of various activities related to the NFO like sales and distribution fees paid marketing and advertising, registrar expenses, printing and stationary, bank charges etc. Details of source for meeting these expenses may be disclosed.

The entire NFO expenses were borne by the AMC.

C. ANNUAL SCHEME RECURRING EXPENSES

These are the fees and expenses for operating the Scheme. These expenses include but are not limited to Investment Management and Advisory Fee charged by the AMC, Registrar and Transfer agents' fees & expenses, marketing and selling costs etc.

The AMC has estimated that upto 0.90 % of the daily net assets of the scheme shall be charged to the scheme as expenses. For the actual current expenses being charged, the investor should refer to the website of MOMF.

- Any expense other than those specified in sub-regulation 66(4), sub-regulation 66(5), sub-regulation 66(6), sub-regulation 66(9) and sub-regulation 66(10), shall not be charged to the scheme and shall be borne by the AMC or trustee or sponsors.
- No charges other than the base expense ratio, brokerage cost, transaction cost, statutory levy and exit load including levies as may be specified by the SEBI, shall be charged to the investors.
- Any expenditure in excess of the base limits specified in these regulations shall be borne by the asset management company or the trustees or sponsors. If any expense of the scheme is borne by asset management company or by the trustee or sponsors, the same shall be done only after the investment and advisory fees charged to the scheme, if any, is fully reversed.
- All fees and expenses charged in a direct plan (in percentage terms) under various heads including the investment and advisory fee shall not exceed the fees and expenses charged under such heads in a regular plan. The BER (Base Expense Ratio) of the Direct Plan will be lower to the extent of the distribution expenses/commission which is charged in the Regular Plan and no commission for distribution of Units will be paid / charged under the Direct Plan.

The Mutual Fund would update the current expense ratios on the website (<https://www.motilaloswalmf.com/>) at least three working days prior to the effective date of the change. Investors can refer to “Base Expense Ratio” section on <https://www.motilaloswalmf.com/nav-ter> for Total Expense Ratio (BER) details

Illustration of impact of expense ratio on returns of the Scheme

Particulars	Regular Plan	Direct Plan
	Amount (Rs.)	
Amount Invested at the beginning of the year	NA	10,000
Net asset before expenses		11,500
Expenses other than Distribution Expenses 0.15%		17.25
Distribution Expenses 0.50%		0.00
Returns after Expenses at the end of the Year		1,482.75

- The purpose of the above illustration is purely to explain the impact of expense ratio charged to the Scheme and should not be construed as providing any kind of investment advice or guarantee of returns on investments.

- It is assumed that the expenses charged are evenly distributed throughout the year.
- Calculations are based on assumed NAVs, and actual returns on your investment may be more, or less.
- Any tax impact has not been considered in the above example, in view of the individual nature of the tax implications. Each investor is advised to consult his or her own financial advisor.

D. LOAD STRUCTURE

Exit Load is an amount which is paid by the investor to redeem the units from the Scheme. This exit load charged (net of GST) will be credited back to the Scheme. Load amounts are variable and are subject to change from time to time. For the current applicable structure, please refer to the website of the AMC www.motilaloswalmf.com or may call at toll free no. 91 8108622222 and +91 2240548002 or your distributor.

Type of Load	Load chargeable (as %age of NAV)
Exit	1 % - If redeemed on or before 15 days from the allotment. Nil - If redeemed after 15 days from the allotment. Exit Load will be applicable on switch-options amongst the Schemes of Motilal Oswal Mutual Fund. No Load shall be imposed for switching between Options within the Scheme. Further, it is clarified that there will be no exit load charged on a switch-out from Regular to Direct plan within the same scheme.

The investor is requested to check the prevailing load structure of the Scheme before investing.

The AMC shall ensure the repurchase price will not be lower than 95% of the Applicable NAV.

Any imposition or enhancement in the load structure shall apply on a prospective basis and in no case the same would affect the existing investors adversely. No Load shall be imposed for switching between Options within the Scheme.

Under the Scheme, the AMC reserves the right to modify/alter the load structure if it so deems fit in the interest of smooth and efficient functioning of the scheme, subject to maximum limits as prescribed under the SEBI Regulations. The load may also be changed from time to time and in case of exit/redemption, load may be linked to the period of holding.

For any change in the load structure, the AMC would undertake the following steps:

1. The addendum detailing the changes will be attached to SID and Key Information Memorandum (KIM). The addendum will be circulated to all the distributors so that the same can be attached to all SID and KIM already in stock.
2. Arrangements shall be made to display the changes/modifications in the SID in the form of a notice in all Investor Service Centres and distributors/brokers offices.

3. The introduction of the exit load along with the details shall be stamped in the acknowledgement slip issued to the investors on submission of the application form and may also be disclosed in the statement of accounts issued after the introduction of such load.
4. The Fund shall display an Addendum in respect of such changes on its website (<https://www.motilaloswalmf.com/>).
5. Any other measure that the Mutual Fund shall consider necessary.

SECTION II

I. INTRODUCTION

A. DEFINITIONS/INTERPRETATION

Link for details on definitions:

<https://www.motilaloswalmf.com/downloads/sid-related-documents>

All references to “Master Circular” refer to Master Circular for Mutual Funds no. HO/24/13/11(1)2026-IMD-POD-1/1/7602/2026 issued by SEBI dated March 20, 2026 as amended from time to time

C. REQUIREMENT OF MINIMUM INVESTORS IN THE SCHEME

Investment in case the Scheme / Plan(s) does not have a minimum of 20 investors in the stipulated period, the provisions of para 7.19. of SEBI Master circular on Mutual Funds would become applicable automatically without any reference from SEBI and accordingly the Scheme / Plan(s) shall be wound up and the units would be redeemed at applicable NAV. The two conditions mentioned above shall also be complied within each subsequent calendar quarter thereafter, on an average basis, as specified by SEBI. If there is a breach of the 25% limit by any investor over the quarter, a rebalancing period of one month would be allowed and thereafter the investor who is in breach of the rule shall be given 15 calendar days’ notice to redeem his exposure over the 25 % limit. Failure on the part of the said investor to redeem his exposure over the 25 % limit within the aforesaid 15 calendar days would lead to automatic redemption by the Mutual Fund on the applicable Net Asset Value on the 15th calendar day of the notice period. The Fund shall adhere to the requirements prescribed by SEBI from time to time in this regard.

C. RISK FACTORS

Scheme Specific Risk Factors: The scheme is subject to risks associated with equity market volatility, broad market exposure across large-cap, mid-cap and small-cap stocks. Investments across diverse market segments may be impacted by liquidity constraints, sectoral shifts, and economic cycles, which can lead to variations in performance. Additionally, small-cap stocks tend to be more volatile and less liquid, increasing the potential for higher price fluctuations and execution risks.

- **Risks associated with investing in Equities**
 - a. Investments in the equity shares of the Companies constituting the Underlying Index are subject to price fluctuation on daily basis. The volatility in the value of equity is due to various micro and macro-economic factors like economic and political developments, changes in interest rates, etc. affecting the securities markets. This may have adverse impact on individual securities/sector and consequently on the NAV of Scheme.
 - b. The Scheme would invest in the securities comprising the Underlying Index in the same proportion as the securities have in the Index. Hence, the risk associated with the corresponding Underlying Index would be applicable to the Scheme. The Underlying Index has its own criteria and policy for inclusion/exclusion of

SID of Motilal Oswal BSE 1000 Index Fund

securities from the Index, its maintenance thereof and effecting corporate actions. The Fund would invest in the securities of the Index regardless of investment merit, research, without taking a view of the market and without adopting any defensive measures. The Fund would not select securities in which it wants to invest but is guided by the Underlying Index. As such the Scheme is not actively managed but is passively managed.

c. **Risks of Total Return**

Dividends are assumed to be reinvested into the constituents of underlying index after the ex-dividend date of the constituents. However in practice, the dividend is received with a lag. This can lead to tracking error.

- **Market Risk**

The Scheme's NAV will react to stock market movements. The value of investments in the scheme may go down over a short or long period due to fluctuations in Scheme's NAV in response to factors such as performance of companies whose stock comprises the underlying portfolio, economic and political developments, changes in government policies, changes in interest rates, inflation and other monetary factors causing movement in prices of underlying investments.

- **Concentration risk**

This is the risk arising from over exposure to few securities/issuers/sectors.

- **Passive Investments**

The Scheme is not actively managed. Since the Scheme is linked to index, it may be affected by a general decline in the Indian markets relating to its underlying index. The Scheme as per its investment objective invests in Securities which are constituents of its underlying index regardless of their investment merit. The AMC does not attempt to individually select stocks or to take defensive positions in declining markets.

- **Right to Limit Redemptions**

The Trustee, in the general interest of the unit holders of the Scheme offered under this SID and keeping in view of the unforeseen circumstances/unusual market conditions, may limit the total number of Units which can be redeemed on any Business Day subject to the guidelines/circulars issued by the Regulatory Authorities from time to time.

- **Risk Factors relating to Portfolio Rebalancing**

In the event that the asset allocation of the Scheme deviates from the ranges as provided in the asset allocation table in this SID, then the Fund Manager will rebalance the portfolio of the Scheme to the position indicated in the asset allocation table. However, if market conditions do not permit the Fund Manager to rebalance the portfolio of the Scheme then the AMC would notify the Board of the Trustee Company and the Investment Committee of the AMC with appropriate justifications.

- **Index Fund**

The Scheme being an index scheme follows a passive investment technique and shall only invest in Securities comprising one selected index as per investment objective of the Scheme. The Fund Manager would invest in the Securities comprising the underlying index irrespective of the market conditions. If the Securities market declines, the value of the investment held by the Scheme shall decrease.

Risks Associated with Money Market Instruments

- **Price-Risk or Interest-Rate Risk:** Fixed income securities such as bonds, debentures and money market instruments run price-risk or interest-rate risk. Generally, when interest rates rise, prices of existing fixed income securities fall and when interest rates drop, such prices increase. The extent of fall or rise in the prices is a function of the existing coupon, days to maturity and the increase or decrease in the level of interest rates.
- **Credit Risk**
Credit Risk means that the issuer of a security may default on interest payments or even paying back the principal amount on maturity. (i.e. the issuer may be unable to make timely principal and interest payments on the security). Even where no default occurs, the prices of security may go down because the credit rating of an issuer goes down. It must be, however, noted that where the Scheme has invested in Government securities, there is no risk to that extent.
- **Liquidity or Marketability Risk:** This refers to the ease with which a security can be sold at or near to its valuation yield-to-maturity (YTM). The primary measure of liquidity risk is the spread between the bid price and the offer price quoted by a dealer. Liquidity risk is today characteristic of the Indian fixed income market.
- **Reinvestment Risk:** Investments in fixed income securities may carry reinvestment risk as interest rates prevailing on the interest or maturity due dates may differ from the original coupon of the bond. Consequently, the proceeds may get invested at a lower rate.
- **Pre-payment Risk:** Certain fixed income securities give an issuer the right to call back its securities before their maturity date, in periods of declining interest rates. The possibility of such prepayment may force the fund to reinvest the proceeds of such investments in securities offering lower yields, resulting in lower interest income for the fund.
- **Spread Risk:** In a floating rate security the coupon is expressed in terms of a spread or mark up over the benchmark rate. In the life of the security this spread may move adversely leading to loss in value of the portfolio. The yield of the underlying benchmark might not change, but the spread of the security over the underlying benchmark might increase leading to loss in value of the security.
- Different types of securities in which the scheme would invest as given in the SID carry different levels and types of risk. Accordingly, the scheme's risk may increase or decrease depending upon its investment pattern. E.g. corporate bonds carry a higher amount of risk than Government securities. Further even among corporate bonds, bonds, which are AA rated, are comparatively more risky than bonds, which are AAA rated.
- **Risks associated with Investing in Derivatives**
Derivative products are leveraged instruments and can provide disproportionate gains as well as disproportionate losses to the investor. Execution of such strategies depends upon the ability of the fund

SID of Motilal Oswal BSE 1000 Index Fund

manager to identify such opportunities. Identification and execution of the strategies to be pursued by the fund manager involve uncertainty and decision of the fund manager may not always be profitable. No assurance can be given that the fund manager will be able to identify or execute such strategies.

Derivative products are specialized instruments that require investment techniques and risk analysis different from those associated with stocks. The use of a derivative requires an understanding not only of the underlying instrument but of the derivative itself. Derivatives require the maintenance of adequate controls to monitor the transactions entered into, the ability to assess the risk that a derivative adds to the portfolio and the ability to forecast price or interest rate movements correctly. There is a possibility that a loss may be sustained by the portfolio as a result of the failure of another party (usually referred to as the “counterparty”) to comply with the terms of the derivatives contract. Other risks in using derivatives include the risk of mispricing or improper valuation of derivatives and the inability of derivatives to correlate perfectly with underlying assets, rates and indices, illiquidity risk whereby the Scheme may not be able to sell or purchase derivative quickly enough at a fair price. The risks associated with the use of derivatives are different from or possibly greater than, the risks associated with investing directly in securities and other traditional investments.

- **Risks associated with Segregated portfolio**

The AMC / Trustee shall decide on creation of segregated portfolio of the Scheme in case of a credit event/actual default at issuer level. Accordingly, Investor holding units of segregated portfolio may not be able to liquidate their holding till the time recovery of money from the issuer. The Security comprised of segregated portfolio may not realise any value. Further, listing of units of segregated portfolio in recognised stock exchange does not necessarily guarantee their liquidity. There may not be active trading of units in the stock market. Further trading price of units on the stock market may be significantly lower than the prevailing NAV.

- **Risks associated with Securities Lending**

Securities Lending is a lending of securities through an approved intermediary to a borrower under an agreement for a specified period with the condition that the borrower will return equivalent securities of the same type or class at the end of the specified period along with the corporate benefits accruing on the securities borrowed.

In case the Scheme undertakes stock lending as prescribed in the Regulations, it may, at times be exposed to counter party risk and other risks associated with the securities lending. Unitholders of the Scheme should note that there are risks inherent to securities lending, including the risk of failure of the other party, in this case the approved intermediary, to comply with the terms of the agreement entered into between the lender of securities i.e. the Scheme and the approved intermediary. Such failure can result in the possible loss of rights to the collateral put up by the borrower of the securities, the inability of the approved intermediary to return the securities deposited by the lender and the possible loss of any corporate benefits accruing to the lender from the securities lent. The Fund may not be able to sell such lent securities and this can lead to temporary illiquidity.

- **Tracking Error and Tracking Difference Risk**

The Fund Manager would not be able to invest the entire corpus exactly in the same proportion as in the underlying index due to certain factors such as the fees and expenses of the Scheme, corporate actions, cash balance and changes to the underlying index and regulatory restrictions, lack of liquidity which may result in Tracking Error. Hence it may affect AMC's ability to achieve close correlation with the underlying index of the Scheme. The Scheme's returns may therefore deviate from its underlying index. "Tracking Error" is defined as the standard deviation of the difference between daily returns of the underlying index and the NAV of the Scheme. The Fund Manager would monitor the Tracking Error of the Scheme on an ongoing basis and would seek to minimize the Tracking Error to the maximum extent possible. There can be no assurance or guarantee that the Scheme will achieve any particular level of Tracking Error relative to performance of the underlying Index. Tracking difference refers to annualized difference of daily returns between the index and the NAV of the ETF / Index fund.

- **Trading through mutual fund trading platforms of BSE and/ or NSE**

In respect of transaction in Units of the Scheme through BSE and/ or NSE, allotment and redemption of Units on any Business Day will depend upon the order processing/settlement by BSE and/ or NSE and their respective clearing corporations on which the Mutual Fund has no control.

- **Risks associated with investing in Government of India Securities**

Market Liquidity risk with fixed rate Government of India Securities even though the Government of India Securities market is more liquid compared to other debt instruments, on certain occasions, there could be difficulties in transacting in the market due to extreme volatility leading to constriction in market volumes. Also, the liquidity of the Scheme may suffer in case the relevant guidelines issued by Reserve Bank of India undergo any adverse changes.

Interest Rate risk associated with Government of India Securities - while Government of India Securities generally carry relatively minimal credit risk since they are issued by the Government of India, they do carry price risk depending upon the general level of interest rates prevailing from time to time. Generally, when interest rates rise, prices of fixed income securities fall and when interest rates decline, the prices of fixed income securities increase. The extent of fall or rise in the prices is a function of the coupon rate, days to maturity and the increase or decrease in the level of interest rates. The price-risk is not unique to Government of India Securities. It exists for all fixed income securities. Therefore, their prices tend to be influenced more by movement in interest rates in the financial system than by changes in the government's credit rating. By contrast, in the case of corporate or institutional fixed income Securities, such as bonds or debentures, prices are influenced by their respective credit standing as well as the general level of interest rates.

- **Risks associated with investing in TREPS Segments**

The mutual fund is a member of securities and TREPS segments of the Clearing Corporation of India (CCIL). All transactions of the mutual fund in government securities and in TREPS segments are settled centrally through the infrastructure and settlement systems provided by CCIL; thus reducing the settlement and counterparty risks considerably for transactions in the said segments. The members are required to contribute an amount as communicated by CCIL from time to time to the default fund

maintained by CCIL as a part of the default waterfall (a loss mitigating measure of CCIL in case of default by any member in settling transactions routed through CCIL). The mutual fund is exposed to the extent of its contribution to the default fund of CCIL at any given point in time. In the event that the default waterfall is triggered and the contribution of the mutual fund is called upon to absorb settlement/default losses of another member by CCIL, the scheme may lose an amount equivalent to its contribution to the default fund allocated to the scheme on a pro-rata basis.

- **Risk associated with investing in Repo of Corporate Bond Securities**

To the extent the scheme invests in Repo of Corporate Bond Securities, the scheme will be subject to following risks -

Corporate Bond Repo will be subject to counter party risk. The Scheme will be exposed to credit risk on the underlying collateral - downward migration of rating. The scheme may impose adequate haircut on the collateral to cushion against any diminution in the value of the collateral. Collateral will require to be rated AA and above rated where potential for downgrade/default is low. In addition, appropriate haircuts are applied on the market value of the underlying securities to adjust for the illiquidity and interest rate risk on the underlying instrument.

Liquidity of collateral: In the event of default by the counterparty, the scheme would have recourse to recover its investments by selling the collateral in the market. If the underlying collateral is illiquid, then the Mutual Fund may incur an impact cost at the time of sale (lower price realization).

- **Risk associated with potential change in Tax structure**

This summary of tax implications given in the taxation section (Units and Offer Section III) is based on the current provisions of the applicable tax laws. This information is provided for general purpose only. The current taxation laws may change due to change in the 'Income Tax Act 1961' or any subsequent changes/amendments in Finance Act/Rules/Regulations. Any change may entail a higher outgo to the scheme or to the investors by way of securities transaction taxes, fees, taxes etc. thus adversely impacting the scheme and its returns.

Risk Control

Risk is an inherent part of the investment function. Effective Risk management is critical to fund management for achieving financial soundness. Investment by the Scheme would be made as per the investment objective of the Scheme and in accordance with SEBI Regulations. AMC has adequate safeguards to manage risk in the portfolio construction process. Risk control would involve managing risk in order to keep in line with the investment objective of the Scheme. The risk control process would include identifying the risk and taking proper measures for the same. The system has incorporated all the investment restrictions as per the SEBI guidelines and enables identifying and measuring the risk through various risk management tools like various portfolio analytics, risk ratios, average duration and analyses the same and acts in a preventive manner.

Risk mitigation strategies:

Risk and Description	Risk mitigates / management strategy
<u>Risks associated with Equity investment</u>	
<u>Market Risk</u> The Scheme is vulnerable to movements in the prices of securities invested by the Scheme, which could have a material bearing on the overall returns from the Scheme. The value of the underlying Scheme investments, may be affected generally by factors affecting securities markets, such as price and volume, volatility in the capital markets, interest rates, currency exchange rates, changes in policies of the Government, taxation laws or any other appropriate authority policies and other political and economic developments which may have an adverse bearing on individual securities, a specific sector or all sectors including equity and debt markets.	Market risk is inherent to an equity scheme. Being a passively managed scheme, it will invest in the securities included in its Underlying Index.
<u>Liquidity risk</u> The liquidity of the Scheme's investments is inherently restricted by trading volumes in the securities in which they invests.	The Scheme will try to maintain a proper asset-liability match to ensure redemption payments are made on time and not affected by illiquidity of the underlying stocks.
<u>Tracking Error risk (Volatility/ Concentration risk):</u> The performance of the Scheme may not commensurate with the performance of the underlying Index viz. BSE 1000 Total Return Index on any given day or over any given period.	<u>Tracking Error risk (Volatility/ Concentration risk):</u> Over a short to medium period, the Scheme may carry the risk of variance between portfolio composition and Benchmark. The objectives of the scheme are to closely track the performance of the Underlying Index over the same period, subject to tracking error. The Scheme would endeavor to maintain a low tracking error by actively aligning the portfolio in line with the Index.
<u>Derivatives Risk</u> As and when the Scheme trades in the derivatives market there are risk factors and issues concerning the use of derivatives since derivative products are specialized instruments that require investment techniques and risk analyses different from those associated with stocks and bonds.	Derivatives will be used in the form of Index Options, Index Futures and other instruments as may be permitted by SEBI. All derivatives trade will be done only on the exchange with guaranteed settlement. The AMC monitors the portfolio and regulatory limits for derivatives through its front office monitoring system. Exposure to derivatives of stocks or underlying index will be done based on requisite research. Exposure with respect to derivatives shall be in line with regulatory limits and the limits specified in the SID. No OTC contracts will be entered into.

Risk and Description	Risk mitigates / management strategy
Risks associated with money market investment	
<u>Market Risk/ Interest Rate Risk</u> As with all fixed income securities, changes in interest rates may affect the Scheme's Net Asset Value as the prices of securities generally increase as interest rates decline and generally decrease as interest rates rise. Prices of long-term securities generally fluctuate more in response to interest rate changes than do short-term securities. Indian debt markets can be volatile leading to the possibility of price movements up or down in fixed income securities and thereby to possible movements in the NAV.	The Scheme may invest in money market instruments having relatively shorter maturity thereby mitigating the price volatility due to interest rate changes generally associated with long-term securities.
<u>Liquidity or Marketability Risk</u> This refers to the ease with which a security can be sold at or near to its valuation yield-to-maturity (YTM).	The Scheme may invest in money market instruments having relatively shorter maturity. While the liquidity risk for short maturity securities may be low, it may be high in case of medium to long maturity securities.
<u>Credit Risk</u> Credit risk or default risk refers to the risk that an issuer of a fixed income security may default (i.e., will be unable to make timely principal and interest payments on the security).	Management analysis may be used for identifying company specific risks. Management's past track record may also be studied.

D. SPECIAL CONSIDERATIONS

- Prospective investors should study this SID and SAI carefully in its entirety and should not construe the contents hereof as advice relating to legal, taxation, financial, investment or any other matters and are advised to consult their legal, tax, financial and other professional advisors to determine possible legal, tax, financial or other considerations of subscribing to or redeeming units before making a decision to invest/redeem/hold units.
- Neither this SID and SAI nor the units have been registered in any jurisdiction. The distribution of this SID or SAI in certain jurisdictions may be restricted or totally prohibited to registration requirements and accordingly, any person who comes into possession of this SID or SAI is required to inform themselves about and to observe any such restrictions and/ or legal compliance requirements of applicable laws and Regulations of such relevant jurisdiction. Any changes in SEBI/Stock Exchange/RBI regulations and other applicable laws/regulations could have an effect on such investments and valuation thereof.

- The AMC, Trustee or the Mutual Fund have not authorized any person to issue any advertisement or to give any information or to make any representations, either oral or written, other than that contained in this SID or SAI or as provided by the AMC in connection with this offering. Prospective Investors are advised not to rely upon any information or representation not incorporated in the SID or SAI or as provided by the AMC as having been authorized by the Mutual Fund, the AMC or the Trustee.
- The tax benefits described in this SID and SAI are as available under the present taxation laws and are available subject to relevant conditions. The information given is included only for general purpose and is based on advice received by the AMC regarding the law and practice currently in force in India as on the date of this SID and the Unitholders should be aware that the relevant fiscal rules or their interpretation may change. As is the case with any investment, there can be no guarantee that the tax position or the proposed tax position prevailing at the time of an investment in the Scheme will endure indefinitely. In view of the individual nature of tax consequences, each Unitholder is advised to consult his / her own professional tax advisor.
- Redemptions due to change in the fundamental attributes of the Scheme or due to any other reasons may entail tax consequences. The Trustee, AMC, Mutual Fund, their directors or their employees shall not be liable for any of the tax consequences that may arise.
- The Trustee, AMC, Mutual Fund, their directors or their employees shall not be liable for any of the tax consequences that may arise, in the event that the Scheme is wound up for the reasons and in the manner provided in SAI.
- The Mutual Fund may disclose details of the investor's account and transactions there under to those intermediaries whose stamp appears on the application form or who have been designated as such by the investor. In addition, the Mutual Fund may disclose such details to the bankers, as may be necessary for the purpose of effecting payments to the investor. The Fund may also disclose such details to regulatory and statutory authorities/bodies as may be required or necessary.
- MOAMC undertakes the following activities other than that of managing the Schemes of MOMF and has also obtained NOC from SEBI for the same:
 - a. MOAMC is a registered Portfolio Manager under SEBI (Portfolio Managers) Regulations, 1993 bearing registration number INP000000670 dated August 21, 2017.
 - b. MOAMC acts as an Investment Manager to the Schemes of Motilal Oswal Alternative Investment Trust and is registered under SEBI (Alternative Investment Funds) Regulations, 2012 as Category III AIF bearing registration number IN/AIF3/13-14/0044 and IN/AIF3/19-20/0799 respectively.
 - c. MOAMC has incorporated a wholly owned subsidiary in Mauritius which acts as an Investment Manager to the funds based in Mauritius.
 - d. MOAMC has incorporated a wholly owned subsidiary in India which currently undertakes Investment Advisory Services to offshore clients.
 - e. AMC confirms that there is no conflict of interest between the aforesaid activities managed by AMC. In the situations of unavoidable conflicts of interest, the AMC undertakes that it shall satisfy itself that

adequate disclosures are made of source of conflict, potential 'material risk or damage' to investor interest and develop parameters for the same.

- Apart from the above-mentioned activities, the AMC may undertake any business activities other than in the nature of management and advisory services provided to pooled assets including offshore funds, insurance funds, pension funds, provident funds, if any of such activities are not in conflict with the activities of the mutual fund subject to receipt of necessary regulatory approvals and approval of Trustees and by ensuring compliance with provisions of regulation 21(b) (i to viii). Provided further that the asset management company may, itself or through its subsidiaries, undertake portfolio management services and advisory services for other than broad based fund till further directions, as may be specified by the Board, subject to compliance with the following additional conditions: -
 - i) it satisfies the Board that key personnel of the asset management company, the system, back office, bank and securities accounts are segregated activity wise and there exist system to prohibit access to inside information of various activities;
 - ii) it meets with the capital adequacy requirements, if any, separately for each of such activities and obtain separate approval, if necessary under the relevant regulations.
- Explanation: —For the purpose of this regulation, the term 'broad based fund' shall mean the fund which has at least twenty investors and no single investor account for more than twenty-five percent of corpus of the fund.
- The Trustee, in the general interest of the unit holders of the Scheme offered under this SID and keeping in view of the unforeseen circumstances/unusual market conditions, may limit the total number of Units which can be redeemed on any Business Day.
 - As the liquidity of the Scheme's investments may sometimes be restricted by trading volumes and settlement periods, the time taken by the Fund for Redemption of Units may be significant in the event of an inordinately large number of Redemption requests. The Trustee has the right to limit redemptions under certain circumstances. Please refer to the section "Right to limit Redemption".
 - Pursuant to the provisions of Prevention of Money Laundering Act, 2002 (PMLA), if after due diligence, the AMC believes that any transaction is suspicious in nature as regards money laundering, the AMC shall have absolute discretion to report such suspicious transactions to FIU-IND (Financial Intelligence Unit – India) or such other authorities as prescribed under the rules/guidelines issued thereunder by SEBI and/or RBI and take any other actions as may be required for the purposes of fulfilling its obligations under PMLA and rules/guidelines issued thereunder by SEBI and/or RBI without obtaining the prior approval of the investor/Unitholder/ any other person.
 - Investors applying for subscription of Units directly with the Fund (i.e. not routed through any distributor/agent) hereinafter referred to as 'Direct Plan' will be subject to a lower expense ratio excluding distribution expenses, commission, etc and no commission for distribution of Units will be paid / charged under Direct Plan and therefore, shall not in any manner be construed as an investment advice offered by the Mutual Fund/AMC. The subscription of Units through Direct Plan is a facility offered to the investor

only to execute his/her/ their transactions at a lower expense ratio. Before making an investment decision, Investors are advised to consult their own investment and other professional advisors.

- **Termination of the scheme(s)**

The Trustees reserve the right to terminate the scheme at any time. Regulation 36 of the SEBI Regulations provides that any scheme of a mutual fund may be wound up after repaying the amount due to the unitholders:

1. On the happening of any event which, in the opinion of the trustees, requires the scheme to be wound up; or
2. If seventy-five percent of the unitholders of a scheme pass a resolution that the scheme be wound up; or
3. If SEBI so directs in the interest of the unitholders.
4. Where a scheme is wound up under the above Regulation, the trustees shall give a notice disclosing the circumstances leading to the winding up of the scheme:
 - a. to SEBI; and
 - b. in two daily newspapers having circulation all over India & a vernacular newspaper circulating at the place where the mutual fund is formed.

In case of termination of the scheme, regulation 38 of the SEBI (mutual Funds) Regulations, 2026 shall apply.

Listing of Mutual Fund schemes that are in the process of winding up

When the schemes in the process of winding-up in terms of Regulation 36 of MF Regulations and para 8.2 SEBI Master Circular on Mutual Funds, its units shall be listed on recognized stock exchange provide an exit to investors, subject to compliance with listing formalities as stipulated by the stock exchange.

However, pursuant to listing, trading on stock exchange mechanism will not be mandatory for investors, rather, if they so desire, may avail an optional channel to exit provided to them.

Trading in units of such a listed scheme that is under the process of winding up, shall be in dematerialised form. AMC's shall enable transfer of such units which are held in form of Statement of Account (SoA) / unit certificates.

Detailed operational modalities for trading and settlement of units of MF schemes that are under the process of winding up, shall be finalized by the stock exchanges where units of such schemes are being listed, in consultation with SEBI. The operational modalities shall include the following:

- a. Mechanism for order placement, execution, payment and settlement;
- b. Enabling bulk orders to be placed for trading in units;
- c. Issue related to suspension of trading, declaration of date for determining the eligibility of unitholders etc. in respect of payments to be made by the AMC as part of the winding up process;
- d. Disclosures to be made by AMC's including disclosure of NAV on daily basis and scheme portfolio periodically etc.

The stock exchange will develop a mechanism along with RTA for trading and settlement of such units held in the form of SoA/ Unit Certificate.

The AMC, its sponsor, employees of AMC and Trustee shall not be permitted to transact (buy or sell) in the units of such schemes that are under the process of being wound up. The compliance of the same will be monitored both by the Board of AMC and Trustee.

II. INFORMATION ABOUT THE SCHEME

A. WHERE WILL THE SCHEME INVEST?

The scheme would invest in the securities comprising the BSE 1000 Total Return Index in the same proportion (weights) as in the index and track the benchmark index. The scheme may also invest in the money market instruments, in compliance with regulation to meet liquidity requirements.

Subject to the Regulations and other prevailing Laws as applicable, the corpus of the Scheme can be invested in any (but not exclusively) of the following securities:

- Equity and Equity related instruments including derivatives
- Units of Liquid Schemes and Money Market Instruments (including reverse repos, Commercial Deposit, Commercial Paper, Treasury Bills and Tri-Party Repos) permitted by SEBI/RBI or in alternative investment for the call money market as may be provided by RBI to meet the liquidity requirements.
- Derivative including Index Futures, Stock Futures, Index Options and Stock Options etc. and such other derivatives instruments permitted under Regulations.
- Mutual Fund units
- Any other instruments as may be permitted by RBI/SEBI under prevailing laws from time to time.

The investment restrictions and the limits are specified in the Schedule VI of SEBI Regulations which is mentioned in the section 'Investment Restrictions'.

The Securities mentioned above could be listed, unlisted, secured, unsecured, rated or unrated and of any maturity. The Securities may be acquired through initial public offerings, secondary market operations, and rights offers or negotiated transactions.

Investment in Derivatives

The Scheme may take an exposure to equity derivatives of constituents of the Underlying Index when securities of the Index are unavailable, insufficient or for rebalancing at the time of change in Index or in case of corporate actions, for a short period of time. The total exposure to derivatives would be restricted to 20% of the net assets of the Scheme.

The Scheme may use derivative instruments such as stock futures and options contracts, warrants, convertible securities, swap agreements or any other derivative instruments that are permissible or may be permissible in future under applicable regulations and such investments shall be in accordance with the investment objective of the Scheme.

Limit for investment in derivatives instruments

In accordance with chapter 13 of SEBI Master Circular on Mutual Funds, the following conditions shall apply to the Scheme's participation in the Derivatives market. The investment restrictions applicable to the Scheme's participation in the Derivatives market will be as prescribed or varied by SEBI from time to time. The Scheme shall under normal circumstances not have exposure of more than 20% of its net assets in derivative instruments.

B. INVESTMENT RESTRICTIONS

The following are the investment restrictions as contained in the Sixth Schedule of SEBI Mutual Fund Regulations and Chapter 13 of SEBI Master Circular on mutual funds as amended from time to time which are applicable to the Scheme at the time of making investments:

 - c. 6% of its NAV in debt and money market securities rated A and belowThe above investment limits may be extended by up to 2% of the NAV of the scheme with prior approval of the Board of Trustees and Board of Directors of the AMC, subject to compliance with the overall 12% limit, as specified at para 13.1 of SEBI Master Circular on Mutual Funds and other prudential limits with respect to the debt instruments.
3. The Mutual Fund under all its schemes shall not own more than 10% of any company's paid up capital carrying voting rights. For the purpose of determining the above limit, a combination of positions of the underlying securities and stock derivatives will be considered.

4. Transfers of investments from one scheme to another scheme in the same Mutual Fund shall be allowed only if,
 - a) such transfers are done at the prevailing market price for quoted instruments on spot basis.
[Explanation - “Spot basis” shall have same meaning as specified by stock exchange for spot transactions;]

the securities so transferred shall be in conformity with investment objective of the scheme to which such transfer has been made and the Policy on Inter Scheme Transfer prepared in compliance with para 13.19 of SEBI Master Circular on Mutual Funds as amended from time to time.
5. The Scheme may invest in another scheme under the same asset management company or any other Mutual Fund without charging any fees, provided that aggregate inter-scheme investment made by all schemes under the same management or in schemes under the management of any other asset management company shall not exceed 5% of the net asset value of the Mutual Fund.
6. The Scheme shall not make any investment in:
 - (a) any unlisted security of an associate or group company of the sponsor; or
 - (b) any security issued by way of private placement by an associate or group company of the sponsor; or
 - (c) the listed securities of group companies of the sponsor which is in excess of 25 per cent of the net assets.
7. The Scheme shall not make any investment in any fund of funds scheme.
8. All investments by the scheme in equity shares and equity related instruments shall only be made provided such securities are listed or to be listed.
9. The Mutual Fund may borrow to meet liquidity needs, for the purpose of repurchase, redemption of units or payment of interest to the Unitholders and such borrowings shall not exceed 20% of the net asset of the Scheme and duration of the borrowing shall not exceed 6 months. The Mutual Fund may borrow from permissible entities at prevailing market rates and may offer the assets of the Mutual Fund as collateral for such borrowing.
10. No term loans will be advanced by the Scheme.
11. Investments in derivatives shall be in lines with the norms/restrictions specified in paragraph 13.15 of the SEBI Master Circular for Mutual Funds.
12. No sponsor of a mutual fund, its associate or group company including the asset management company of the fund, through the schemes of the mutual fund or otherwise, individually or collectively, directly or indirectly, have -
 - a. 10% or more of the share-holding or voting rights in the asset management company or the trustee company of any other mutual fund; or
 - b. representation on the board of the asset management company or the trustee company of any other mutual fund.

13. Pending deployment of funds of a Scheme in terms of investment objectives of the Scheme, the Mutual Fund may invest the funds of the scheme in short-term deposits of scheduled commercial banks, subject to the following guidelines issued by SEBI and as may be amended from time to time.

The provisions of para 13.7 of SEBI Master Circular Mutual Funds where the cash in the scheme is parked in short term deposits of Scheduled Commercial Banks pending deployment, the scheme shall abide by the following guidelines:

- a) "Short Term" for such parking of funds by the Scheme shall be treated as a period not exceeding 91 days. Such short-term deposits shall be held in the name of the Scheme.
- b) The Scheme shall not park more than 15% of net assets in short term deposit(s) of all the scheduled commercial banks put together. However, such limit may be raised to 20% with prior approval of the Trustees.
- c) Parking of funds in short term deposits of associate and sponsor scheduled commercial banks together shall not exceed 20% of total deployment by the Mutual Fund in short term deposits.
- d) The Scheme shall not park more than 10% of the net assets in short term deposit(s), with any one scheduled commercial bank including its subsidiaries.
- e) The Scheme shall not park funds in short term deposit of a bank which has invested in that Scheme. Trustees/AMCs shall also ensure that the bank in which a scheme has STD do not invest in the said scheme until the scheme has STD with such bank
- f) The AMC will not charge any investment management and advisory fees for funds under a Plan parked in short term deposits of scheduled commercial banks.
- g) The above provisions will not apply to term deposits placed as margins for trading in cash and derivatives market.

14. Investment restrictions related to REITs & InvITs -

A mutual fund may invest in the units of REITs and InvITs subject to the following:

- a) No mutual fund under all its schemes shall own more than 10% of units issued by a single issuer of REIT and InvIT; and
- b) A mutual fund scheme shall not invest –
 - i. more than 10% of its NAV in the units of InvIT; and
 - ii. more than 5% of its NAV in the units of InvIT issued by a single issuer.

Provided that the limits mentioned in sub-clauses (i) and (ii) above shall not be applicable for investments in case of index fund or sector or industry specific scheme pertaining to InvIT.

All investment restrictions shall be applicable at the time of making investments. The AMC may alter these limitations/objectives from time to time to the extent the SEBI Regulations change so as to permit Scheme to make its investments in the full spectrum of permitted investments to achieve its investment objective. The Trustees may from time to time alter these restrictions in conformity with the SEBI Regulations.

With respect to the above, BSE 1000 Total Return Index ensures compliance with the aforesaid norms.

The policy regarding reissue of repurchased units, including the maximum extent, the manner of reissue, the entity (the scheme or the AMC) involved in the same.	Units once redeemed/repurchased will not be re-issued
Restrictions, if any, on the right to freely retain or dispose of units being offered.	The Trustee may, in the general interest of the Unitholders of the Scheme and when considered appropriate to do so based on unforeseen circumstances/unusual market conditions, impose restriction on redemption of Units of the Schemes. The following requirements will be observed before imposing restriction on redemptions: a. Restriction may be imposed when there are circumstances leading to a systemic crisis or event that severely constricts market liquidity or the efficient functioning of markets such as: i. Liquidity issues - when market at large becomes illiquid affecting almost all securities rather than any issuer specific security. AMCs should have in place sound internal liquidity management tools for schemes. Restriction on redemption cannot be used as an ordinary tool in order to manage the liquidity of a scheme. Further, restriction on redemption due to illiquidity of a specific security in the portfolio of a scheme due to a poor investment decision shall not be allowed.

	ii. Market failures, exchange closures - when markets are affected by unexpected events which impact the functioning of exchanges or the regular course of transactions. Such unexpected events could also be related to political, economic, military, monetary or other emergencies. b. Operational issues - when exceptional circumstances are caused by force majeure, unpredictable operational problems and technical failures (e.g. a black out). Such cases can only be considered if they are reasonably unpredictable and occur in spite of appropriate diligence of third parties, adequate and effective disaster recovery procedures and systems. Restriction on redemption may be imposed for a specific period of time not exceeding 10 working days in any 90 days' period. c. Any such imposition requires specific approval of Board of AMC's and Trustees and the same shall be immediately informed to SEBI. d. When restriction on redemption is applied the following procedure shall be followed: a) Redemption requests upto Rs. 2 lakh will not be subject to such restriction. c) In case of redemption requests above Rs. 2 lakhs, the AMC shall redeem the first Rs. 2 lakhs without restriction and remaining part over above be subject to such restriction. Units of the Scheme which are issued in demat (electronic) form will be transferred and transmitted in accordance with the provisions of SEBI (Depositories and Participants) Regulations, as may be amended from time to time. Right to Limit Fresh Subscription The Trustees reserves the right at its sole discretion to withdraw / suspend the allotment / Subscription of Units in the Scheme temporarily or indefinitely, at the time of NFO or otherwise, if it is viewed that increasing the size of such Scheme may prove detrimental to the Unit holders of such Scheme. An order to Purchase the Units is not binding on and may be rejected by the Trustees or the AMC unless it has been confirmed in writing by the AMC and/or payment has been received. Physical Units which are held in the form of account statement:

The application forms for purchase/redemption of units directly with the Fund can be submitted at the Designated Collection Center (DCC)/ Investor Service Center (ISC) of Motilal Oswal Mutual Fund as mentioned in the SID and also at DCC and ISC of our Registrar and Transfer Agent (RTA), KFin Technologies Limited. The details of RTA's DCC and ISC are available at the link https://www.kfintech.com/contact-us/. it is mandatory to mention their bank account numbers in their applications/requests for redemption. Investors can also subscribe to the Units of the Scheme through MFSS and/or NMF II facility of NSE and BSE StAR MF facility of BSE. In addition to subscribing Units through submission of application in

	physical, investor / unit holder can also subscribe to the Units of the Scheme through RTA's website i.e. www.kfintech.com/ . The facility to transact in the Scheme is also available through mobile application of Kfin i.e. 'KFINTRACK'
Minimum amount for purchase / switches into the Scheme	Rs. 500/- and in multiples of Re.1/- thereafter. Minimum additional amount will be Rs. 500/- and in multiples of Re. 1/- thereafter. AMC may revise the minimum/maximum amounts and the methodology for new/additional subscriptions, as and when necessary. Such change may be brought about after taking into account the cost structure for a transaction/account and/or Market practices and/or the interest of existing Unit holders. Further, such changes shall only be applicable to transactions from the date of such a change, on a prospective basis.
Minimum Redemption/switch-out Amount	Rs. 500/- and in multiples of Re.1/- thereafter or account balance, whichever is lower. In case the Investor specifies the number of Units and amount, the number of units shall be considered for Redemption. In case the unit holder does not specify the number or amount, Mutual Fund shall reject the transaction. If the balance Units in the Unit holder's account does not cover the amount specified in the redemption request, then the Mutual Fund shall reject the transaction. If the balance Units in the Unit holder's account is less than the specified in the redemption request, then the Mutual Fund shall reject the transaction. In case of Units held in dematerialized mode, the Unitholder can give a request for Redemption only in number of Units. Request for subscriptions can be given only in amount. 	A Consolidated Account Statement (CAS) detailing all the transactions across all mutual funds (including transaction charges paid to the distributor) and holding at the end of the month shall be sent to the Unit holders in whose folio(s) transaction(s) have taken place during the month by mail or email on or before 15th of the succeeding month. Half-yearly CAS shall be issued at the end of every six months (i.e. September/ March) on or before 21st day of succeeding month, to all investors providing the prescribed details across all schemes of mutual funds and securities held in dematerialized form across demat accounts, if applicable For further details, refer SAI.
Redemption	The redemption or repurchase proceeds shall be dispatched to the unitholders within three working days from the date of redemption or repurchase. For list of exceptional circumstances refer para 15.5 of SEBI Master Circular for Mutual Funds. However, in case of exceptional circumstances as mentioned in AMFI letter no. AMFI/ 35P/ MEM-COR/ 74 / 2022-23 dated January 16, 2023, the redemption or repurchase proceeds will be transferred / dispatched to Unitholders within the time frame prescribed for such exceptional circumstances. A penal interest of 15% p.a. or such other rate as may be prescribed by SEBI from time to time, will be paid in case the payment of redemption proceeds is not made within the stipulated timelines.
Right to limit Redemptions	The Trustee may, in the general interest of the Unitholders of the Scheme and when considered appropriate to do so based on unforeseen circumstances/unusual market conditions, impose restriction on redemption of Units of the Schemes. The following requirements will be observed before imposing restriction on redemptions: e. Restriction may be imposed when there are circumstances leading to a systemic crisis or event that severely constricts market liquidity or the efficient functioning of markets such as: j. Liquidity issues - when market at large becomes illiquid affecting almost all securities rather than any issuer specific security. AMCs should have in place sound internal liquidity management tools for schemes. Restriction on redemption cannot be used as an ordinary tool in order to manage the liquidity of a scheme. Further, restriction on

	redemption due to illiquidity of a specific security in the portfolio of a scheme due to a poor investment decision shall not be allowed. ii. Market failures, exchange closures - when markets are affected by unexpected events which impact the functioning of exchanges or the regular course of transactions. Such unexpected events could also be related to political, economic, military, monetary or other emergencies. iii. Operational issues - when exceptional circumstances are caused by force majeure, unpredictable operational problems and technical failures (e.g. a black out). Such cases can only be considered if they are reasonably unpredictable and occur in spite of appropriate diligence of third parties, adequate and effective disaster recovery procedures and systems f. Restriction on redemption may be imposed for a specific period of time not exceeding 10 working days in any 90 calendar days' period. g. Any such imposition requires specific approval of Board of AMCs and Trustees and the same shall be immediately informed to SEBI. h. When restriction on redemption is applied the following procedure shall be followed: d) Redemption requests upto Rs. 2lakh will not be subject to such restriction. e) In case of redemption requests above Rs. 2 lakhs, the AMC shall redeem the first Rs. 2 lakhs without restriction and remaining part over above be subject to such restriction. Units of the Scheme which are issued in demat (electronic) form will be transferred and transmitted in accordance with the provisions of SEBI (Depositories and Participants) Regulations, as may be amended from time to time. Right to Limit Fresh Subscription The Trustees reserves the right at its sole discretion to withdraw/suspend the allotment / Subscription of Units in the Scheme temporarily or indefinitely, at the time of NFO or otherwise, if it is viewed that increasing the size of such Scheme may prove detrimental to the Unit holders of such Scheme. An order to Purchase the Units is not binding on and may be rejected by the Trustees or the AMC unless it has been confirmed in writing by the AMC and/or payment has been received.
