PART I: HIGHLIGHTS/SUMMARY OF THE SCHEME

Sr. No.	Title	Description
I.	Name of the scheme	Motilal Oswal Gold and Silver Passive Fund of Funds
II.	Category of the Scheme	Commodity based FOF- Domestic
III.	Scheme type	An open ended fund of funds scheme investing in units of gold and silver exchange traded funds.
IV.	Scheme code	MOTO/O/O/FOD/22/08/0038
V.	Investment objective	The objective of this scheme is to generate returns by investing in units of Gold ETFs and Silver ETFs. However, the performance of the scheme may differ from that of the underlying gold and silver ETFs due to tracking error of the underlying exchange traded funds. There can be no assurance or guarantee that the investment objective of the scheme would be achieved.
VI.	Liquidity/listing details	The Scheme is open for Subscription and Redemption of Units on every Business Day on an ongoing basis. As per SEBI Regulations, the Mutual Fund shall dispatch redemption proceeds within 3 Working days of receiving a valid redemption request. A penal interest of 15% per annum or such other rate as may be prescribed by SEBI from time to time, will be paid in case the redemption proceeds are not made within 3 Working days from the date of receipt of a valid redemption request. .
VII.	Benchmark (Total Return Index)	Domestic price of gold and silver. The benchmark of the scheme would be linked to the domestic prices of gold and silver as per the regulatory norms based on daily spot fixing prices. The composition of the benchmark is in line with FOF framework and is most suited for comparing the performance of the scheme. The Fund reserve right to change benchmark in future for measuring performance of the scheme and as per guidelines and directives issued by SEBI from time to time
VIII.	NAV disclosure	The NAV will be calculated on all business days and shall be disclosed in the manner specified by SEBI. The AMC shall update the NAVs on its website https://www.motilaloswalmf.com/ and also on AMFI website www.amfiindia.com before 10.00 A.M. on the following business day. If the NAVs are not available before 10.00 A.M. on following business day, the reason for delay in uploading NAV would be explained to AMFI in writing. If the NAVs are not available before commencement of Business Hours on the following day due to any reason, the Mutual Fund shall issue a press release giving reasons and explaining when the Mutual Fund would be able to publish the NAVs.

		Further Details in Section II																								
IX.	Applicable timelines	Dispatch of redemption proceeds: The transfer of redemption or repurchase proceeds to the unitholders shall be made within three working days from the date of redemption or repurchase. However, in case of exceptional circumstances as provided by AMFI vide its letter no. Dispatch of IDCW: Not applicable as the Scheme does not have IDCW option.																								
X.	Plans and Options Plans/Options and sub options under the Scheme	The Scheme has two Plans: (i) Regular Plan and (ii) Direct Plan Regular Plan is for Investors who purchase/subscribe units in a Scheme through any Distributor (AMFI Registered Distributor/ARN Holder). Direct Plan is for investors who purchase/subscribe units in a Scheme directly with the Fund and is not routed through a Distributor (AMFI Registered Distributor/ARN Holder). Growth Option: -All Income earned and realized profit in respect of a unit issued under that will continue to remain invested until repurchase and shall be deemed to have remained invested in the option itself which will be reflected in the NAV. The AMC reserves the right to introduce further Options as and when deemed fit. Investors subscribing Units under Direct Plan of a Scheme should indicate “Direct Plan” against the Scheme name in the application form. Investors should also mention “Direct” in the ARN column of the application form. 11.	The scheme will not invest in securities covered under para 10.4 of SEBI Master on Mutual Funds.		

Portfolio Rebalancing due to Passive Breach:

Subject to the Regulations, the asset allocation pattern indicated above for the Scheme may change from time to time. In the event of deviation from the mandated asset allocation of the Scheme mentioned in the SID due to passive breaches (occurrence of instances not arising out of omission and commission of AMC), then the AMC shall rebalance the portfolio within a period of 30 business days. Where the portfolio is not rebalanced within 30 business days, justification writing, including details taken to rebalance the portfolio shall be placed before the Investment Committee. The Investment Committee, if so desires, can extend the timelines up to sixty (60) business days from the date of completion of mandated rebalancing period.

In case, the portfolio of scheme is not rebalanced within the aforementioned mandated plus extended timelines, AMCs shall:

- i) not be permitted to launch any new scheme till the time the portfolio is rebalanced.
- ii) not to levy exit load, if any, on the investors exiting such scheme(s).

Rebalancing due to Short Term Defensive Consideration:

Subject to the Regulations, the asset allocation pattern indicated above for the Scheme may change from time to time, keeping in view market conditions, market opportunities, applicable regulations and political and economic factors. In the event that the asset allocation of the Scheme should deviate from the ranges as noted in the asset allocation table above, then the portfolio of the Scheme will be rebalanced by the Fund Manager to the position indicated in the asset allocation table above. Such changes in the asset allocation will be for short term and defensive considerations

These proportions can vary depending upon the perception of the fund manager; the intention being at all times to seek to protect the interests of the Unit holders. In accordance with clause 1.9.1(b) of SEBI Master Circular Circular No. SEBI/HO/24/13/11(1)2026-IMD-POD-1/I/7602/2026 dated March 20, 2026, such changes in the investment pattern will be for short term on defensive considerations only and the fund manager will rebalance the portfolio within 30 calendar days from the date of deviation.

B. WHERE WILL THE SCHEME INVEST

The allocation will be subject to SID provisions related to asset allocation. Daily cash flow will be managed as per the actual weights of Gold and Silver ETFs in the scheme portfolio. The allocation towards Gold and Silver ETFs will be reviewed on quarterly basis and maximum weight of either Gold or Silver is capped at 90%. Between review period, weights may exceed 90% capping.

If the exposure falls outside the above mentioned maximum capping of either Gold or Silver i.e. 90% the portfolio to be rebalanced by AMC within stipulated timelines from the closure of the reviewed quarter.

In case of unknown extreme scenarios like e.g. demonetization, global or domestic market turmoil, geopolitical issues etc. where prices of a particular precious metal commodity may substantially increase or decrease, fund manager may change the allocation towards Gold or Silver in the interest of investors.

Subject to the Regulations and other prevailing Laws as applicable, the corpus of the Scheme can be invested in any (but not exclusively) of the following securities:

- Units of underlying ETFs approved by SEBI. Further, the Scheme can buy/sell the units from the underlying scheme in Creation Unit Size also by way of cash. The investments could be made either directly in underlying ETFs or through the secondary market. This facility would provide Motilal Oswal Gold and Silver ETFs Fund of Funds an additional source to purchase the units of underlying ETFs in addition to the stock exchange route.
- Money Market Instruments includes Commercial papers, Commercial bills, Treasury bills, Government securities having an unexpired maturity up to one year, call or notice money, certificate of deposit, Bills Rediscounting, Repos, Triparty Repo, usance bills, and any other like instruments as specified by the Reserve Bank of India (RBI)/ Securities and Exchange Board of India (SEBI) from time to time
- Mutual Fund units
- Pending deployment of funds as per the investment objective of the Scheme, the funds may be parked in short term deposits of scheduled commercial banks, subject to guidelines and limits specified by SEBI.
- Any other instruments as may be permitted by RBI/SEBI under prevailing laws from time to time subject to regulatory approvals if any.

The investment restrictions and the limits are specified in the Schedule VI of SEBI Regulations which is mentioned in the section 'Investment Restrictions'.

The Securities mentioned above could be listed, unlisted, privately placed, secured, unsecured, rated and of any maturity. The Securities may be acquired through initial public offerings, secondary market operations, and private placement, rights offers or negotiated transactions. The scheme may invest the funds of the scheme in short term deposits of scheduled commercial banks as permitted under extant regulations as per Clause 8 of Sixth Schedule of Mutual Funds Regulations, 2026. As per the stated Regulations, Mutual Funds shall not park more than 15% of their net assets in short term deposits of all scheduled commercial banks put together. This limit however may be raised to 20% with prior approval of the Trustees. Also, parking of funds in short term deposits of associate and sponsor scheduled commercial banks together shall not exceed 20% of the total deployment by the Mutual Fund in short term deposits.

For description of the instruments, please refer section II (A)

C. WHAT ARE THE INVESTMENT STRATEGIES

The Scheme shall invest all of its funds in units of gold and silver ETFs, in the range of 95% to 100%. The scheme would also invest in Units of liquid/ debt schemes, Debt and Money Market Instruments in the range of 0% to 5%.

Risk Control

Risk is an inherent part of the investment function. Effective Risk management is critical to fund management for achieving financial soundness. Investment by the Scheme would be made as per the investment objective of the Scheme and in accordance with SEBI Regulations. AMC has adequate safeguards to manage risk in the portfolio construction process. Risk control would involve managing risk in order to keep in line with the

investment objective of the Scheme. The risk control process would include identifying the risk and taking proper measures for the same. Further, AMC has implemented Bloomberg Portfolio Order Management System as the Front Office System for managing risk. The system has incorporated all the investment restrictions as per the SEBI guidelines and enables identifying and measuring the risk through various risk management tools like various portfolio analytics, risk ratios, average duration and analyses the same and acts in a preventive manner.

Portfolio Turnover

Portfolio Turnover is defined as the lower of sales or purchase divided by the average corpus during a specified period of time. The Scheme, being an open ended Scheme, it is expected that there would be a number of subscriptions and redemptions on a daily basis. However, it is difficult to measure with reasonable accuracy the likely turnover in the portfolio of the Scheme.

Tracking Error Scheme

Tracking error is defined as the standard deviation of the difference between the daily returns of the Underlying Scheme(s) and the NAV of the Scheme. The fund assets will be predominantly invested in the Underlying Scheme(s) and which is valued at the market price of the said units on the principal exchange. The same may be at a variance to the underlying NAV of the Scheme.

Theoretically, the corpus of the Scheme has to be fully invested in the Underlying Schemes completely. However, it is not possible to invest as per the objective due to reason that the Scheme has to incur expenses, regulatory policies, lack of liquidity, etc. The Scheme's returns may therefore deviate from those of its Underlying Schemes. Tracking Error may arise due to the following reasons:-

1. Fees and expenses of the Scheme.
2. Halt in trading on the Stock exchange due to circuit filter rules
3. Cash balance held by the Scheme due to subscriptions, redemption, etc.
4. Delay in receipt of cash flows
5. Non- availability of units of Underlying Scheme or the Underlying Scheme is temporary closed for subscription
6. Lack of liquidity on Stock Exchange

The Scheme has to invest in the Underlying Scheme in whole numbers and has to round off the quantity of units.

D. HOW WILL THE SCHEME BENCHMARK ITS PERFORMANCE?

Motilal Oswal Gold and Silver ETFs Fund of Funds will be benchmarked against the Domestic price of gold and silver.

The benchmark of the scheme would be linked to the domestic prices of gold and silver as per the regulatory norms based on daily spot fixing prices. The composition of the benchmark is in line with FOF framework and

is most suited for comparing the performance of the scheme. The Fund reserve right to change benchmark in future for measuring performance of the scheme and as per guidelines and directives issued by SEBI from time to time.

6. INVESTMENTS BY FUND MANAGER'S OF THE AMC IN SCHEME:

i. Aggregate investment in the Scheme by:

Sr. No.	Category of Persons	Net Value		Market Value
		Units	NAV per unit	
1.	Swapnil Mayekar	18688.595	29.8494	5,57,843.35
2.	Rakesh Shetty	71.803	29.8494	2,143.28

The above data includes units invested in the Scheme as per the para 7.14 of SEBI Master Circular on Mutual Funds. on Alignment of interest of Key Employees of Asset Management Companies (AMCs) with the Unitholders of the Mutual Fund Schemes..

7. INVESTMENT BY AMC/SPONSOR IN THE SCHEME

Pursuant to Regulation 22(3)(a) of the SEBI (MF) Regulations, 2026 and para 7.13 of SEBI Master Circular on Mutual Funds , AMC will invest minimum amount as a percentage of AUM based on the risk associated with the Scheme and such investment will not be redeemed unless the Scheme is wound up. The AMC will conduct quarterly review to ensure compliance with above requirement which may change either due to change in value of the AUM or in the risk value assigned to the scheme. The shortfall in value of the investment, if any, will be made good within 7 days of such review.

Subject to SEBI (Mutual Fund) Regulation 22(3)(a) and para 7.13 of SEBI Master Circular on Mutual Funds, the AMC may invest in the scheme during the New Fund Offer (NFO) or continuous offer period. However, the AMC shall not charge any fees on such investments

PART III- OTHER DETAILS

A. COMPUTATION OF NAV

The Net Asset Value (NAV) per unit under the Scheme will be computed by dividing the net assets of the Scheme by the number of units outstanding on the valuation day. The Mutual Fund will value its investments according to the valuation norms, as specified in Schedule VII of the SEBI (MF) Regulations, or such norms as may be specified by SEBI from time to time.

The Net Asset Value (NAV) of the units under the Scheme shall be calculated as follows:

$$\text{NAV (Rs.)} = \frac{\text{Market or Fair Value of Scheme's investments} + \text{Current Assets} - \text{Current Liabilities and Provision}}{\text{No. of Units outstanding under Scheme on the Valuation Day}}$$

The NAV will be calculated up to four decimals.

The NAV shall be calculated and disclosed on each business day on AMFI's website www.amfiindia.com and also on www.motilaloswalmf.com. The NAV shall be calculated and announced by 10.00 a.m. on next business day.

Hence, for the purposes of valuation and calculating NAV of the Scheme for a particular day, the last available prices of units of underlying ETFs on NSE or BSE shall be considered (which would be the previous day's closing prices). This will enable the disclosure of the NAV of the Scheme before the deadline as provided by SEBI guidelines.

ILLUSTRATION OF NAV:

If the net assets of the Scheme, after considering applicable expenses, are Rs.10,45,34,345.34 and units outstanding are 10,00,0000, then the NAV per unit will be computed as follows:

$$10,45,34,345.34 / 10,00,000 = \text{Rs. } 10.4534 \text{ per unit (rounded off to four decimals)}$$

B. NEW FUND OFFER (NFO) EXPENSES

These expenses are incurred for the purpose of various activities related to the NFO like sales and distribution fees paid, marketing and advertising, registrar expenses, printing and stationary, bank charges etc. The entire NFO expenses were borne by the AMC.

C. ANNUAL SCHEME RECURRING EXPENSES

These are the fees and expenses for operating the Scheme. These expenses include but are not limited to Investment Management and Advisory Fee charged by the AMC, Registrar and Transfer agents' fees & expenses, marketing and selling costs etc.

The AMC has estimated that upto 0.90 % of the daily net assets of the scheme shall be charged to the scheme as expenses. For the actual current expenses being charged, the investor should refer to the website of MOMF.

Particulars	% p.a. of daily Net Assets
Investment Management and Advisory Fees	Upto 0.90%
Audit fees/fees and expenses of trustee	
Custodial fees	
Registrar & Transfer Agent Fees including cost of providing account statement/IDCW/redemption cheque/warrants

Other Expenses (to be specified as per Reg 66 of SEBI MF Regulations)	
Maximum Base expense ratio (TER) permissible under Regulation 66	Upto 0.90%
Statutory levies (including GST) on all expenses excluding brokerage and transaction cost	As per prevailing rate
Statutory levies (including GST) on brokerage and transaction cost	As per prevailing rate
Total Expense Ratio permissible under Regulation 67	Upto 0.90%

The BER shall include:

- Investment and Advisory fees (sub-regulation 4 of Regulation 66)
- Recurring expenses (sub-regulation 5 of Regulation 66)
- Charges/ commission/ fees related to distribution of mutual fund schemes (Sub regulation 6 of Regulation 66)

In addition to the limits as specified in Regulation 67 of SEBI (Mutual Funds) Regulations 2026 Total Recurring Expenses (Total Expense Limit) as specified above, the following costs or expenses may be charged to the scheme:

- ###Schemes may charge expense incurred towards brokerage, for the purpose of execution of trade, over and above the base expense ratio subject to a maximum of 0.06 per cent of trade value in case of

cash market transactions and 0.02 per cent of trade value in case of derivatives transactions. Expense charged towards brokerage, over and above the specified limit, shall not be part of the base expense ratio limit specified in the table given above.

- Transaction cost means regulatory levies and any other expenses charged by the stock exchanges, clearing corporation, and clearing house, as applicable. Such transaction costs shall not form part of the base expense ratio.

- Statutory levy means levy imposed by state government and central government.

Investors may please note that they will be bearing the recurring expenses of the Scheme in addition to the expenses of the underlying schemes in which the fund of funds makes investment.

-**As per para 11. 9 of SEBI Master circular on Mutual Funds, Fund of Funds (FoFs) investing more than 80% of its NAV in the underlying domestic funds shall not be required to set aside 2bps of the daily net assets towards investor education and awareness initiatives.

- Any expense other than those specified in sub-regulation (4), sub-regulation (5), sub regulation (6), sub-regulation (9) and sub-regulation (10), as mentioned above, shall not be charged to the scheme and shall be borne by the AMC or trustee or sponsors.

- No charges other than the base expense ratio, brokerage cost, transaction cost, statutory levy and exit load including levies as may be specified by the SEBI, shall be charged to the investors.

- Any expenditure in excess of the base limits specified in these regulations shall be borne by the asset management company or the trustees or sponsors. If any expense of the scheme is borne by asset management company or by the trustee or sponsors, the same shall be done only after the investment and advisory fees charged to the scheme, if any, is fully reversed.

- Any other expenses which are directly attributable to the Scheme, may be charged with approval of the Trustee within the overall limits as specified in the Regulations except those expenses which are specifically prohibited.

All fees and expenses charged in a direct plan (in percentage terms) under various heads including the investment and advisory fee shall not exceed the fees and expenses charged under such heads in a regular plan. The BER (Base Expense Ratio) of the Direct Plan will be lower to the extent of the distribution expenses/commission which is charged in the Regular Plan and no commission for distribution of Units will be paid / charged under the Direct Plan.

The Mutual Fund would update the current expense ratios on the website (www.motilaloswalmf.com) atleast three working days prior to the effective date of the change. Investors can refer to “Base Expense Ratio” section on <https://www.motilaloswalmf.com/downloads/mutual-fund/totalexpensratio> for Total Expense Ratio (BER) details.

The base expense ratio of Fund of Funds to be charged over and above the weighted average of the base expense ratio of the underlying scheme shall not exceed two times the weighted average of the base expense ratio levied by the underlying scheme(s), subject to the overall ceilings for Fund of Funds as stated under sub-regulation 66(7), unless otherwise specified by SEBI.

Illustration of impact of expense ratio on returns of the Scheme

	Regular Plan	Direct Plan
Net asset before expenses	11,500	11,500
Expenses other than Distribution Expenses _2%	230	230
Distribution Expenses 0.10%	11.5	0.00
Returns after Expenses at the end of the Year	11258.5	11270

Please Note:

- The purpose of the above illustration is purely to explain the impact of expense ratio charged to the Scheme and should not be construed as providing any kind of investment advice or guarantee of returns on investments.
- It is assumed that the expenses charged are evenly distributed throughout the year. The expenses of the Direct Plan under the Scheme may vary with that of the Regular Plan under the Scheme.
- Calculations are based on assumed NAVs, and actual returns on your investment may be more, or less.

Any tax impact has not been considered in the above example, in view of the individual nature of the tax implications. Each investor is advised to consult his or her own financial advisor.

D. LOAD STRUCTURE

Load is an amount which is paid by the investor to subscribe to the units or to redeem the units from the Scheme. This exit load charged (net of GST) will be credited back to the Scheme. Load amounts are variable and are subject to change from time to time. For the current applicable structure, please refer to the website of the AMC www.motilaloswalmf.com or may call at toll free no. 1800-200-6626 or your distributor.

Type of Load	Load chargeable (as %age of NAV)
Exit	NIL

The investor is requested to check the prevailing load structure of the Scheme before investing.

Repurchase/ Resale is at Net Asset Value (NAV) related prices with repurchase/ resale loads as applicable (within limits) as specified under SEBI Regulations 2026, While determining the price of the units, the fund will ensure that the repurchase price is not lower than 97 per cent of the Net Asset Value.

Any imposition or enhancement in the load structure shall apply on a prospective basis and in no case the same would affect the existing investors adversely. No Load shall be imposed for switching between Options within the Scheme.

Under the Scheme, the AMC reserves the right to modify/alter the load structure if it so deems fit in the interest of smooth and efficient functioning of the scheme, subject to maximum limits as prescribed under the SEBI Regulations. The load may also be changed from time to time and in case of exit/redemption, load may be linked to the period of holding.

For any change in the load structure, the AMC would undertake the following steps:

1. The addendum detailing the changes will be attached to SID and Key Information Memorandum (KIM). The addendum will be circulated to all the distributors so that the same can be attached to all SID and KIM already in stock.
2. Arrangements shall be made to display the changes/modifications in the SID in the form of a notice in all Investor Service Centers and distributors/brokers' offices.
3. The introduction of the exit load along with the details shall be stamped in the acknowledgement slip issued to the investors on submission of the application form and may also be disclosed in the statement of accounts issued after the introduction of such load.
4. The Fund shall display an Addendum in respect of such changes on its website (www.motilaloswalmf.com).
5. Any other measure that the Mutual Fund shall consider necessary.

SECTION II

I. INTRODUCTION

A. DEFINITIONS/INTERPRETATION

All references to “Master Circular” refer to Master Circular for Mutual Funds no. HO/24/13/11(1)2026-IMD-POD-1/I/7602/2026 issued by SEBI dated March 20, 2026 as amended from time to time

B. REQUIREMENT OF MINIMUM INVESTORS IN THE SCHEME

The Scheme/Plan shall have a minimum of 20 investors and no single investor shall account for more than 25% of the corpus of the Scheme/Plan(s). In case the Scheme / Plan(s) does not have a minimum of 20 investors in the stipulated period, the provisions of para 7.19. of SEBI Master circular on mutual funds would become applicable automatically without any reference from SEBI and accordingly the Scheme / Plan(s) shall be wound up and the units would be redeemed at applicable NAV. The two conditions mentioned above shall also be complied within each subsequent calendar quarter thereafter, on an average basis, as specified by SEBI. If there is a breach of the 25% limit by any investor over the quarter, a rebalancing period of one month would be allowed and thereafter the investor who is in breach of the rule shall be given 15 days’ notice to redeem his exposure over the 25 % limit. Failure on the part of the said investor to redeem his exposure over the 25 % limit within the aforesaid 15 days would lead to automatic redemption by the Mutual Fund on the applicable Net Asset Value on the 15th day of the notice period. The Fund shall adhere to the requirements prescribed by SEBI from time to time in this regard.

C. SPECIAL CONSIDERATIONS

- Prospective investors should study this SID and SAI carefully in its entirety and should not construe the contents hereof as advice relating to legal, taxation, financial, investment or any other matters and are advised to consult their legal, tax, financial and other professional advisors to determine possible legal, tax, financial or other considerations of subscribing to or redeeming units before making a decision to invest/redeem/hold units.
- Neither this SID and SAI nor the units have been registered in any jurisdiction. The distribution of this SID or SAI in certain jurisdictions may be restricted or totally prohibited to registration requirements and accordingly, any person who comes into possession of this SID or SAI is required to inform themselves about and to observe any such restrictions and/ or legal compliance requirements of applicable laws and Regulations of such relevant jurisdiction. Any changes in SEBI/Stock Exchange/RBI regulations and other applicable laws/regulations could have an effect on such investments and valuation thereof.

- The AMC, Trustee or the Mutual Fund have not authorized any person to issue any advertisement or to give any information or to make any representations, either oral or written, other than that contained in this SID or SAI or as provided by the AMC in connection with this offering. Prospective Investors are advised not to rely upon any information or representation not incorporated in the SID or SAI or as provided by the AMC as having been authorized by the Mutual Fund, the AMC or the Trustee.
- The tax benefits described in this SID and SAI are as available under the present taxation laws and are available subject to relevant conditions. The information given is included only for general purpose and is based on advice received by the AMC regarding the law and practice currently in force in India as on the date of this SID and the Unitholders should be aware that the relevant fiscal rules or their interpretation may change. As is the case with any investment, there can be no guarantee that the tax position or the proposed tax position prevailing at the time of an investment in the Scheme will endure indefinitely. In view of the individual nature of tax consequences, each Unitholder is advised to consult his / her own professional tax advisor.
- Redemptions due to change in the fundamental attributes of the Scheme or due to any other reasons may entail tax consequences. The Trustee, AMC, Mutual Fund, their directors or their employees shall not be liable for any of the tax consequences that may arise.
- The Trustee, AMC, Mutual Fund, their directors or their employees shall not be liable for any of the tax consequences that may arise, in the event that the Scheme is wound up for the reasons and in the manner provided in SAI.
- The Mutual Fund may disclose details of the investor's account and transactions there under to those intermediaries whose stamp appears on the application form or who have been designated as such by the investor. In addition, the Mutual Fund may disclose such details to the bankers, as may be necessary for the purpose of effecting payments to the investor. The Fund may also disclose such details to regulatory and statutory authorities/bodies as may be required or necessary.
- MOAMC undertakes the following activities other than that of managing the Schemes of MOMF and has also obtained NOC from SEBI for the same:
 - a. MOAMC is a registered Portfolio Manager under SEBI (Portfolio Managers) Regulations, 1993 bearing registration number INP000000670 dated August 21, 2017.
 - b. MOAMC acts as an Investment Manager to the Schemes of Motilal Oswal Alternative Investment Trust and is registered under SEBI (Alternative Investment Funds) Regulations, 2012 as Category III AIF bearing registration number IN/AIF3/13-14/0044 and IN/AIF3/19-20/0799 respectively.
 - c. MOAMC has incorporated a wholly owned subsidiary in Mauritius which acts as an Investment Manager to the funds based in Mauritius.
 - d. MOAMC has incorporated a wholly owned subsidiary in India which currently undertakes Investment Advisory Services to offshore clients.
 - e. AMC confirms that there is no conflict of interest between the aforesaid activities managed by AMC. In the situations of unavoidable conflicts of interest, the AMC undertakes that it shall satisfy itself that

adequate disclosures are made of source of conflict, potential 'material risk or damage' to investor interest and develop parameters for the same.

- Apart from the above-mentioned activities, the AMC may undertake any business activities other than in the nature of management and advisory services provided to pooled assets including offshore funds, insurance funds, pension funds, provident funds, if any of such activities are not in conflict with the activities of the mutual fund subject to receipt of necessary regulatory approvals and approval of Trustees and by ensuring compliance with provisions of regulation 21(b) (i to viii). Provided further that the asset management company may, itself or through its subsidiaries, undertake portfolio management services and advisory services for other than broad based fund till further directions, as may be specified by the Board, subject to compliance with the following additional conditions: -
 - i) it satisfies the Board that key personnel of the asset management company, the system, back office, bank and securities accounts are segregated activity wise and there exist system to prohibit access to inside information of various activities;
 - ii) it meets with the capital adequacy requirements, if any, separately for each of such activities and obtain separate approval, if necessary under the relevant regulations.

Explanation: —For the purpose of this regulation, the term 'broad based fund' shall mean the fund which has at least twenty investors and no single investor account for more than twenty-five percent of corpus of the fund.

- The Trustee, in the general interest of the unit holders of the Scheme offered under this SID and keeping in view of the unforeseen circumstances/unusual market conditions, may limit the total number of Units which can be redeemed on any Business Day.
- As the liquidity of the Scheme's investments may sometimes be restricted by trading volumes and settlement periods, the time taken by the Fund for Redemption of Units may be significant in the event of an inordinately large number of Redemption requests. The Trustee has the right to limit redemptions under certain circumstances. Please refer to the section "Right to limit Redemption".
- Pursuant to the provisions of Prevention of Money Laundering Act, 2002 (PMLA), if after due diligence, the AMC believes that any transaction is suspicious in nature as regards money laundering, the AMC shall have absolute discretion to report such suspicious transactions to FIU-IND (Financial Intelligence Unit – India) or such other authorities as prescribed under the rules/guidelines issued thereunder by SEBI and/or RBI and take any other actions as may be required for the purposes of fulfilling its obligations under PMLA and rules/guidelines issued thereunder by SEBI and/or RBI without obtaining the prior approval of the investor/Unitholder/ any other person.
- Investors applying for subscription of Units offered directly with the Fund (i.e. not routed through any distributor/agent) hereinafter referred to as 'Direct Plan' will be subject to a lower expense ratio excluding distribution expenses, commission, etc. and no commission for distribution of Units will be paid / charged under Direct Plan and therefore, shall not in any manner be construed as an investment advice offered by the Mutual Fund/AMC. The subscription of Units through Direct Plan is a facility offered to the investor only to

execute his/her/their transactions at a lower expense ratio. Before making an investment decision, Investors are advised to consult their own investment and other professional advisors.

Listing of Mutual Fund schemes that are in the process of winding up

When the schemes in the process of winding-up in terms of Regulation 36 (2) a of MF Regulations, its units shall be listed on recognized stock exchange provide an exit to investors, subject to compliance with listing formalities as stipulated by the stock exchange.

However, pursuant to listing, trading on stock exchange mechanism will not be mandatory for investors, rather, if they so desire, may avail an optional channel to exit provided to them.

Trading in units of such a listed scheme that is under the process of winding up, shall be in dematerialised form. AMCs shall enable transfer of such units which are held in form of Statement of Account (SoA) / unit certificates.

Detailed operational modalities for trading and settlement of units of MF schemes that are under the process of winding up, shall be finalized by the stock exchanges where units of such schemes are being listed, in consultation with SEBI. The operational modalities shall include the following:

- a. Mechanism for order placement, execution, payment and settlement;
- b. Enabling bulk orders to be placed for trading in units;
- c. Issue related to suspension of trading, declaration of date for determining the eligibility of unitholders etc. in respect of payments to be made by the AMC as part of the winding up process;
- d. Disclosures to be made by AMCs including disclosure of NAV on daily basis and scheme portfolio periodically etc.

The stock exchange will develop a mechanism along with RTA for trading and settlement of such units held in the form of SoA/ Unit Certificate

The AMC, its sponsor, employees of AMC and Trustee shall not be permitted to transact (buy or sell) in the units of such schemes that are under the process of being wound up. The compliance of the same will be monitored both by the Board of AMC and Trustee.

D. RISK FACTORS

Scheme Specific Risk Factors: The Scheme is subject to the principal risks described below. Some or all of these risks may adversely affect Scheme's NAV, yield, return and/or its ability to meet its objectives.

- **Risks associated with investing in Funds of Funds Scheme**
 - a. Investors may please note that they will be bearing the expenses of the fund of fund scheme in addition to the expenses of the underlying scheme in which the fund of fund scheme makes investment.

- b. The Scheme may invest in units of gold and silver exchange traded funds. Hence the Scheme's performance may depend upon the performance of the underlying mutual fund scheme. Any change in the investment policies or the fundamental attributes of the underlying scheme could affect the performance of the Scheme.
- c. The Portfolio disclosure of the Scheme will be limited to providing the particulars of the underlying scheme where the Scheme has invested and will not include the investments made by the underlying Scheme.
- d. The fund assets are predominantly invested in units of gold and silver exchange traded funds and valued at the market price of the said units on the exchange. The same may be at a variance to the underlying NAV of the fund, due to market expectations, demand supply of the units, etc. To that extent the performance of scheme shall be at variance with that of the underlying scheme.
- e. The Fund may subscribe according to the value equivalent to unit creation size as applicable for each of the underlying scheme. When subscriptions received are not adequate enough to invest in creation unit size, fund may buy or sell units of underlying schemes through stock exchanges or may be deployed in debt and money market instruments. The Scheme may also invest in such instruments to meet the liquidity requirements. As a result the returns of the Scheme may differ from the underlying ETF(s).
- f. The liquidity of the Scheme's investments may be inherently restricted by trading volumes, settlement periods and transfer procedures. In the event of an inordinately large number of redemption requests, or of a re-structuring of the Scheme's investment portfolio, these periods may become significant.
- g. The NAV of the scheme to the extent invested in Money market securities are likely to be affected by changes in the prevailing rates of interest and are likely to affect the value of the Scheme's holdings and thus the value of the Scheme's Units.
- h. While securities that are listed on the stock exchange carry lower liquidity risk, the ability to sell these investments is limited by the overall trading volume on the stock exchanges. Money market securities, while fairly liquid, lack a well-developed secondary market, which may restrict the selling ability of the Scheme and may lead to the Scheme incurring losses till the security is finally sold.

- **Risk associated with Investment in Units of mutual fund**

Investment in Mutual Fund Units involves investment risks such as trading volumes, settlement risk, liquidity risk, default risk including the possible loss of principal. As the price / value / interest rate of the securities in which the Scheme(s) invests fluctuates, the value of your investment in the Scheme(s) may go up or down depending on the various factors and forces affecting the capital markets and money markets.

- **Market Risk**

The Scheme's NAV will react to stock market movements. The value of investments in the scheme may go down over a short or long period due to fluctuations in Scheme's NAV in response to factors such as performance of companies whose stock comprises the underlying portfolio, economic and political developments, changes in government policies, changes in interest rates, inflation and other monetary factors causing movement in prices of underlining investments.

- **Right to Limit Redemptions**

Pursuant to clause 5.3 of SEBI Master Circular on mutual funds, the Trustee, in the general interest of the unit holders of the Scheme offered under this SID and keeping in view of the unforeseen circumstances/unusual market conditions, may limit the total number of Units which can be redeemed on any Business Day subject to the guidelines/circulars issued by the Regulatory Authorities from time to time.

For detailed restrictions, please refer to Section II Part D, "**Right to Limit Redemptions.**"

- **Risk Factors relating to Portfolio Rebalancing**

In the event that the asset allocation of the Scheme deviates from the ranges as provided in the asset allocation table in this SID, then the Fund Manager will rebalance the portfolio of the Scheme to the position indicated in the asset allocation table. However, if market conditions do not permit the Fund Manager to rebalance the portfolio of the Scheme then the AMC would notify the Board of the Trustee Company and the Investment Committee of the AMC with appropriate justifications.

- **Risks associated with Segregated portfolio**

The AMC / Trustee shall decide on creation of segregated portfolio of the Scheme in case of a credit event/actual default at issuer level. Accordingly, Investor holding units of segregated portfolio may not be able to liquidate their holding till the time recovery of money from the issuer. The Security comprised of segregated portfolio may not realise any value. Further, Listing of units of segregated portfolio in recognised stock exchange does not necessarily guarantee their liquidity. There may not be active trading of units in the stock market. Further trading price of units on the stock market may be significantly lower than the prevailing NAV.

- **Risks Associated with Money Market Instruments**

Credit Risk: Credit Risk means that the issuer of a security may default on interest payments or even paying back the principal amount on maturity. (i.e. the issuer may be unable to make timely principal and interest payments on the security). Even where no default occurs, the prices of security may go down because the credit rating of an issuer goes down. It must be, however, noted that where the Scheme has invested in Government securities, there is no risk to that extent.

Liquidity or Marketability Risk: This refers to the ease with which a security can be sold at or near to its valuation yield-to-maturity (YTM). The primary measure of liquidity risk is the spread between the bid price and the offer price quoted by a dealer. Liquidity risk is today characteristic of the Indian fixed income market.

Spread Risk: In a floating rate security the coupon is expressed in terms of a spread or mark up over the benchmark rate. In the life of the security this spread may move adversely leading to loss in value of the portfolio. The yield of the underlying benchmark might not change, but the spread of the security over the underlying benchmark might increase leading to loss in value of the security.

Liquidity Risk: As the liquidity of the investments made by the Scheme(s) could, at times, be restricted by trading volumes and settlement periods, the time taken by the Mutual Fund for liquidating the investments in the scheme may be high in the event of immediate redemption requirement. Investment in such securities may lead to increase in the scheme portfolio.

- Different types of securities in which the scheme would invest as given in the SID carry different levels and types of risk. Accordingly, the scheme's risk may increase or decrease depending upon its investment pattern. E.g. corporate bonds carry a higher amount of risk than Government securities. Further even among corporate bonds, bonds, which are AA rated, are comparatively more risky than bonds, which are AAA rated.

- **Risks associated with investing in TREPS Segments**

The mutual fund is a member of securities and TREPS segments of the Clearing Corporation of India (CCIL). All transactions of the mutual fund in government securities and in TREPS segments are settled centrally through the infrastructure and settlement systems provided by CCIL; thus reducing the settlement and counterparty risks considerably for transactions in the said segments. The members are required to contribute an amount as communicated by CCIL from time to time to the default fund maintained by CCIL as a part of the default waterfall (a loss mitigating measure of CCIL in case of default by any member in settling transactions routed through CCIL). The mutual fund is exposed to the extent of its contribution to the default fund of CCIL at any given point in time. In the event that the default waterfall is triggered and the contribution of the mutual fund is called upon to absorb settlement/default losses of another member by CCIL, the scheme may lose an amount equivalent to its contribution to the default fund allocated to the scheme on a pro-rata basis.

- **Tracking Error Risk**

The Fund Manager would not be able to invest the entire corpus exactly in the Underlying Scheme due to certain factors such as the expenses, regulatory policies, lack of liquidity, etc., which may result in Tracking Error. Hence it may affect AMC's ability to achieve close correlation with the Underlying Scheme. The Scheme's returns may therefore deviate from its Underlying Scheme. "Tracking Error" is defined as the standard deviation of the difference between daily returns of the Underlying Scheme and the NAV of the Scheme. The Fund Manager would monitor the Tracking Error of the Scheme on an ongoing basis and would seek to minimize the Tracking Error to the maximum extent possible. There can be no assurance or guarantee that the Scheme will achieve any particular level of Tracking Error relative to performance of the Underlying Scheme.

- **Trading through mutual fund trading platforms of BSE and/ or NSE**

In respect of transaction in Units of the Scheme through BSE and/ or NSE, allotment and redemption of Units on any Business Day will depend upon the order processing/settlement by BSE and/ or NSE and their respective clearing corporations on which the Mutual Fund has no control.

- **Risk associated with potential change in Tax structure**

This summary of tax implications given in the taxation section is based on the current provisions of

the applicable tax laws. This information is provided for general purpose only. The current taxation laws may change due to change in the 'Income Tax Act 1961' or any subsequent changes/amendments in Finance Act/Rules/Regulations. Any change may entail a higher outgo to the scheme or to the investors by way of securities transaction taxes, fees, taxes etc. thus adversely impacting the scheme and its returns.

- **Risk associated with investments in Gold and Silver by underlying schemes**

- ❖ **Several factors that may affect the price of gold/commodity are as follows:**

Global gold supplies and demand, which is influenced by factors such as forward selling by gold producers, purchases made by gold producers to unwind gold hedge positions. Productions and cost levels in major gold producing countries can also impact gold prices. Further, Central bank purchases and sales also impact price of Gold. The prices of gold are also affected:-

- Investors' expectations with respect to the rate of inflation
- Currency exchange rates
- Interest rates
- Investment and trading activities of hedge funds and commodity funds
- Global or regional political, economic or financial events and situations
- Changes in indirect taxes or any other levies

The returns from gold may underperform returns from the various general securities markets or different asset classes other than gold. Different types of securities tend to go through cycles of out-performance and under-performance in comparison to the general securities markets. The scheme may invest in Gold ETFs. The units may trade above or below their NAV. The NAV of the underlying Scheme will fluctuate with changes in the market value of the holdings. The trading prices will fluctuate in accordance with changes in their NAV as well as market supply and demand. However, given that units of Gold ETFs can be created and redeemed in Creation Units, it is expected that large discounts or premiums to the NAV will not sustain due to arbitrage opportunity available. Value of Gold ETF Units could decrease if unanticipated operational or trading problems arise. In case of investment in Gold ETFs, the scheme can subscribe to the units of Gold ETFs according to the value equivalent to unit creation size as applicable. If subscriptions received are not adequate enough to invest in creation unit size, the subscriptions may be deployed in debt and money market instruments which will have a different return profile compared to gold returns profile.

- ❖ **Several factors that may affect the price of Silver are as follows:**

1. Global Silver supplies and demand, which is influenced by factors such as forward selling by Silver producers, purchases made by Silver producers to unwind Silver hedge positions, government regulations, productions and cost levels in major Silver producing countries.
2. Investors' expectations with respect to the macro-economic indicators;
3. Currency exchange rates;

4. Interest rates;
5. Investment and trading activities of hedge funds and commodity funds; and
6. Global or regional political, economic or financial events and situations.
7. In addition, investors should be aware that there is no assurance that Silver will maintain its long-term value. In the event that the price of Silver declines, the value of investment in units is expected to decline proportionately.
8. Changes in indirect taxes like custom duties for import, sales tax, VAT or any other levies will have an impact on the valuation of Silver and consequently the NAV of the Scheme.
9. Demand side and/or supply side constraints in domestic and/or international markets.

❖ **Risk Factors associated with schemes investing in Gilt Securities by underlying schemes**

When interest rates rise, prices of fixed income securities fall and when interest rates drop, the prices increase. The extent of fall or rise in prices is a function of the existing coupon, days to maturity and the increase or decrease in interest rates. Price-risk is not unique to government securities but is true for all fixed income securities. The default risk however, in respect of Government securities is zero. Therefore, their prices are influenced only by movement in interest rates in the financial system. On the other hand, in the case of corporate or institutional fixed income securities, such as bonds or debentures, prices are influenced by credit standing of the issuer as well as the general level of interest rates.

Even though the Government securities market is more liquid compared to other debt instruments, on occasions, there could be difficulties in transacting in the market due to extreme volatility or unusual constriction in market volumes or on occasions when an unusually large transaction has to be put through.

Risk Control

Risk is an inherent part of the investment function. Effective Risk management is critical to fund management for achieving financial soundness. Investment by the Scheme would be made as per the investment objective of the Scheme and in accordance with SEBI Regulations. AMC has adequate safeguards to manage risk in the portfolio construction process. Risk control would involve managing risk in order to keep in line with the investment objective of the Scheme. The risk control process would include identifying the risk and taking proper measures for the same. The system has incorporated all the investment restrictions as per the SEBI guidelines and enables identifying and measuring the risk through various risk management tools like various portfolio analytics, risk ratios, average duration and analyses the same and acts in a preventive manner.

Risk mitigation strategies

Risk and Description	Risk mitigates / management strategy

have a material bearing on the overall returns from the Scheme. The value of the underlying Scheme investments, may be affected generally by factors affecting bullion markets, such as price and volume, volatility in the markets, currency exchange rates, changes in policies of the Government, taxation laws or any other appropriate authority policies and other political and economic developments which may have an adverse bearing on individual metal.	
<u>Liquidity risk</u> The liquidity of the Scheme's investments is inherently restricted by trading volumes in the securities in which they invests.	The Scheme will try to maintain a proper asset-liability match to ensure redemption payments are made on time and not affected by illiquidity of the underlying stocks.
<u>Tracking Error risk (Volatility/ Concentration risk):</u> The performance of the Scheme may not commensurate with the performance of the underlying ETFs on any given day or over any given period.	<u>Tracking Error risk (Volatility/ Concentration risk):</u> Over a short to medium period, the Scheme may carry the risk of variance between portfolio composition and underlying scheme(s). The objectives of the scheme are too closely track the performance of the Underlying Schemes over the same period, subject to tracking error.
Risks associated with money market investment	
<u>Market Risk/ Interest Rate Risk</u> As with all fixed income securities, changes in interest rates may affect the Scheme's Net Asset Value as the prices of securities generally increase as interest rates decline and generally decrease as interest rates rise. Prices of long-term securities generally fluctuate more in response to interest rate changes than do short-term securities. Indian debt markets can be volatile leading to the possibility of price movements up or down in fixed income securities and thereby to possible movements in the NAV.	The Scheme may invest in money market instruments having relatively shorter maturity thereby mitigating the price volatility due to interest rate changes generally associated with long-term securities.
<u>Liquidity or Marketability Risk</u> This refers to the ease with which a security can be sold at or near to its valuation yield- to maturity (YTM).	The Scheme may invest in money market instruments having relatively shorter maturity. While the liquidity risk for short maturity securities may be low, it may be high in case of medium to long maturity securities.

<u>Credit Risk</u> Credit risk or default risk refers to the risk that an issuer of a fixed income security may default (i.e., will be unable to make timely principal and interest payments on the security).	Management analysis may be used for identifying company specific risks. Management's past track record may also be studied.

II. INFORMATION ABOUT THE SCHEME

A. INVESTMENT BY THE SCHEME

The corpus of the scheme will be subject to SID provisions related to asset allocation. Daily cash flow will be managed as per the actual weights of Gold and Silver ETFs in the scheme portfolio. The allocation towards Gold and Silver ETFs will be reviewed on quarterly basis and maximum weight of either Gold or Silver is capped at 90%. Between review period, weights may exceed 90% capping. If the exposure falls outside the above mentioned maximum capping of either Gold or Silver i.e. 90% the portfolio to be rebalanced by AMC within 7 days from the closure of the reviewed quarter. In case of unknown extreme scenarios like e.g. demonetization, global or domestic market turmoil, geopolitical issues etc. where prices of a particular precious metal commodity may substantially increase or decrease, fund manager may change the allocation towards Gold or Silver in the interest of investors. Subject to the Regulations and other prevailing Laws as applicable, the corpus of the Scheme can be invested in any (but not exclusively) of the following securities:

- Units of underlying ETFs approved by SEBI. Further, the Scheme can buy/sell the units from the underlying scheme in Creation Unit Size also by way of cash. The investments could be made either directly in underlying ETFs or through the secondary market. This facility would provide NFO SID of Motilal Oswal Gold and Silver ETFs Fund of Funds Motilal Oswal Gold and Silver ETFs Fund of Funds an additional source to purchase the units of underlying ETFs in addition to the stock exchange route.
- Money Market Instruments includes Commercial papers, Commercial bills, Treasury bills, Government securities having an unexpired maturity up to one year, call or notice money, certificate of deposit, Bills Rediscounting, Repos, Triparty Repo, usance bills, and any other like instruments as specified by the Reserve Bank of India (RBI)/ Securities and Exchange Board of India (SEBI) from time to time
- Mutual Fund units
- Pending deployment of funds as per the investment objective of the Scheme, the funds may be parked in short term deposits of scheduled commercial banks, subject to guidelines and limits specified by SEBI.
- Any other instruments as may be permitted by RBI/SEBI under prevailing laws from time to time subject to regulatory approvals if any.

The investment restrictions and the limits are specified in the Schedule VI of SEBI Regulations which is mentioned in the section 'Investment Restrictions'. The Securities mentioned above could be listed, unlisted, privately placed, secured, unsecured, rated and of any maturity. The Securities may be acquired through initial public offerings, secondary market operations, and private placement, rights offers or negotiated transactions. The scheme may invest the funds of the scheme in short term deposits of scheduled commercial banks as permitted under extant regulations as per para 13.7 of SEBI Master Circular on Mutual Funds and clause 8 of Sixth Schedule of Mutual Funds Regulations, 2026. As per the stated Regulations, Mutual Funds shall not park more than 15% of their net assets in short term deposits of all scheduled commercial banks put together. This limit however may be raised to 20% with prior approval of the Trustees. Also, parking of funds in short term deposits of associate and sponsor scheduled commercial banks together shall not exceed 20% of the total

deployment by the Mutual Fund in short term deposits

B. INVESTMENT RESTRICTIONS

All the investments by the Scheme and the Fund shall always be within the investment restrictions as specified in Schedule VI of SEBI Mutual Fund Regulations and Chapter 13 of SEBI Master Circular on mutual funds as amended from time to time. Pursuant to the SEBI Regulations, the following are some of the investment and other limitations as presently applicable to the Scheme. :

1. The Mutual Fund shall buy and sell securities on the basis of deliveries and shall in all cases of purchases, take delivery of relevant securities and in all cases of sale, deliver the securities:

Provided that a Mutual Fund may engage in short selling of securities in accordance with the framework relating to short selling and securities lending and borrowing specified by the SEBI, Provided further that a Mutual Fund may enter into derivatives transactions in a recognized stock exchange, subject to the framework specified by the SEBI,

Provided further that sale of Government security already contracted for purchase shall be permitted in accordance with the guidelines issued by the Reserve Bank of India in this regard.

2. The Mutual Fund shall get the securities purchased or transferred in the name of the Mutual Fund on account of the concerned scheme, wherever investments are intended to be of long-term nature.
3. The Mutual Fund under all its schemes shall not own more than ten per cent of any company's paid up capital carrying voting rights or ten percent of units of REITs issued by any single issuer...
4. Transfers of investments from one scheme to another scheme in the same Mutual Fund shall be allowed only if,
 - a. such transfers are done at the prevailing market price for quoted instruments on spot basis. [Explanation - "Spot basis" shall have same meaning as specified by stock exchange for spot transactions;]
 - b. the securities so transferred shall be in conformity with investment objective of the scheme to which such transfer has been made and the Policy on Inter Scheme Transfer prepared in compliance with para 13.19 of SEBI Master Circular on Mutual Funds.
5. The Scheme may invest in another scheme under the same asset management company or any other Mutual Fund without charging any fees, provided that aggregate inter-scheme investment made by all schemes under the same management or in schemes under the management of any other asset management company shall not exceed 5% of the net asset value of the Mutual Fund. Provided that this clause shall not apply to any fund of funds scheme.
6. Pending deployment of funds of a Scheme in terms of investment objectives of the Scheme, the Mutual Fund may invest the funds of the scheme in short-term deposits of scheduled commercial

banks, subject to the following guidelines issued by SEBI and as may be amended from time to time.

Pursuant to para 13.7 of SEBI Master Circular on Mutual Funds, where the cash in the scheme is parked in short term deposits of Scheduled Commercial Banks pending deployment, the scheme shall abide by the following guidelines:

- (a) “Short Term” for such parking of funds by the Scheme shall be treated as a period not exceeding 91 days. Such short-term deposits shall be held in the name of the Scheme.
- (b) The Scheme shall not park more than 15% of net assets in short term deposit(s) of all the scheduled commercial banks put together. However, such limit may be raised to 20% with prior approval of the Trustees.
- (c) Parking of funds in short term deposits of associate and sponsor scheduled commercial banks together shall not exceed 20% of total deployment by the Mutual Fund in short term deposits.
- (d) The Scheme shall not park more than 10% of the net assets in short term deposit(s), with any one scheduled commercial bank including its subsidiaries.
- (e) The Scheme shall not park funds in short term deposit of a bank which has invested in that Scheme. Trustees/AMCs shall also ensure that the bank in which a scheme has STD do not invest in the said scheme until the scheme has STD with such bank
- (f) The AMC will not charge any investment management and advisory fees for funds under a Plan parked in short term deposits of scheduled commercial banks.
- (g) The above provisions will not apply to term deposits placed as margins for trading in cash and derivatives market.

- 7. The Scheme shall not make any investment in:
 - (a) any unlisted security of an associate or group company of the sponsor; or
 - (b) any security issued by way of private placement by an associate or group company of the sponsor; or
 - (c) the listed securities of group companies of the sponsor which is in excess of 25 per cent of the net assets.
- 8. The Scheme shall not invest more than 10 per cent of its NAV in the equity shares or equity related instruments of any company.
- 9. All investments by the scheme in equity shares and equity related instruments shall only be made provided such securities are listed or to be listed.
- 10. The Mutual Fund may borrow to meet liquidity needs, for the purpose of repurchase, redemption of units or payment of interest or IDCW to the Unitholders and such borrowings shall not exceed 20% of the net asset of the Scheme and duration of the borrowing shall not exceed 6 months. The Mutual Fund may borrow from permissible entities at prevailing market rates and may offer the assets of the Mutual Fund as collateral for such borrowing.

11. No term loans will be advanced by the Scheme.
12. The Scheme shall not invest more than 10% of its NAV in debt instruments comprising money market instruments and non-money market instruments issued by a single issuer, which are rated not below investment grade by a credit rating agency authorised to carry out such activity under the SEBI Act, 1992. Such investment limit may be extended to 12% of the NAV with prior approval of the Board of Trustees and Board of the AMC.

Provided that such limit shall not be applicable for investment in government securities, treasury bills and Tri Party Repo(TREPS).

Provided further that the schemes already in existence shall with an appropriate time and in the manner, as may be specified by the Board, conform to such limits.

13. In terms of chapter 13 of SEBI Master Circular on Mutual Funds, Mutual fund scheme shall not invest in unlisted debt instruments including commercial papers (CPs), other than (a) government securities, (b) other money market instruments and (c) derivative products such as Interest Rate Swaps (IRS), Interest Rate Futures (IRF), etc. which are used by mutual funds for hedging.

However, mutual fund schemes may invest in unlisted Non-Convertible Debentures (NCDs) not exceeding 10% of the debt portfolio and as per respective investment limits and timelines mentioned by SEBI from time to time, subject to the condition that such unlisted NCDs have a simple structure (i.e. with fixed and uniform coupon, fixed maturity period, without any options, fully paid up upfront, without any credit enhancements or structured obligations) and are rated and secured with coupon payment frequency on monthly basis.

For the purpose listed debt instruments shall include listed and to be listed debt instruments. All fresh investments by mutual fund schemes in CPs would be made only in CPs which are listed or to be listed.

The policy regarding reissue of repurchased units, including the maximum extent, the manner of reissue, the entity (the scheme or the AMC) involved in the same.	Units once redeemed/repurchased will not be re-issued.
Restrictions, if any, on the right to freely retain or dispose of units being offered.	The Trustee may, in the general interest of the Unitholders of the Scheme and when considered appropriate to do so based on unforeseen circumstances/unusual market conditions, impose restriction on redemption of Units of the Schemes. The following requirements will be observed before imposing restriction on redemptions: - Restriction may be imposed when there are circumstances leading to a systemic crisis or event that severely constricts market liquidity or the efficient functioning of markets such as: - Liquidity issues - when market at large becomes illiquid affecting almost all securities rather than any issuer specific

	security. AMCs should have in place sound internal liquidity management tools for schemes. Restriction on redemption cannot be used as an ordinary tool in order to manage the liquidity of a scheme. Further, restriction on redemption due to illiquidity of a specific security in the portfolio of a scheme due to a poor investment decision shall not be allowed. ii. Market failures, exchange closures - when markets are affected by unexpected events which impact the functioning of exchanges or the regular course of transactions. Such unexpected events could also be related to political, economic, military, monetary or other emergencies. iii. Operational issues - when exceptional circumstances are caused by force majeure, unpredictable operational problems and technical failures (e.g. a black out). Such cases can only be considered if they are reasonably unpredictable and occur in spite of appropriate diligence of third parties, adequate and effective disaster recovery procedures and systems. b. Restriction on redemption may be imposed for a specific period of time not exceeding 10 working days in any 90 days' period. c. Any such imposition requires specific approval of Board of AMCs and Trustees and the same shall be immediately informed to SEBI. d. When restriction on redemption is applied the following procedure shall be followed: a) Redemption requests upto Rs. 2lakh will not be subject to such restriction. b) In case of redemption requests above Rs. 2 lakhs, the AMC shall redeem the first Rs. 2 lakhs without restriction and remaining part over above be subject to such restriction. Units of the Scheme which are issued in demat (electronic) form will be transferred and transmitted in accordance with the provisions of SEBI (Depositories and Participants) Regulations, as may be amended from time to time.
--	--

	Physical Units which are held in the form of account statement: Additions/deletion of names in case of Units held in other than demat mode in the form of account statement will not be allowed under any folio of the Scheme. However, on request from the Unitholder, Unit certificates will be issued in lieu of account statement for the same. The AMC will issue a Unit certificate to the applicant within 5 Business Days of the receipt of request for the certificate. Unit certificate, if issued, must be duly discharged by the Unit holder(s) and surrendered along with the request for redemption/switch or any other transaction of Units covered therein. The AMC shall, on production of instrument of transfer together with relevant unit certificates, register the transfer and return the unit certificate to the transferee within thirty days from the date of such production. The above provisions in respect of deletion of names will not be applicable in case of death of Unit holder (in respect of joint holdings) as this is treated as transmission of Units and not transfer.
Right to limit Redemptions	The Trustee may, in the general interest of the Unitholders of the Scheme and when considered appropriate to do so based on unforeseen circumstances/unusual market conditions, impose restriction on redemption of Units of the Schemes. The following requirements will be observed before imposing restriction on redemptions: e. Restriction may be imposed when there are circumstances leading to a systemic crisis or event that severely constricts market liquidity or the efficient functioning of markets such as: i. Liquidity issues - when market at large becomes illiquid affecting almost all securities rather than any issuer specific security. AMCs should have in place sound internal liquidity management tools for schemes. Restriction on redemption cannot be used as an ordinary tool in order to manage the liquidity of a scheme. Further, restriction on redemption due to illiquidity of a specific security in the portfolio of a scheme due to a poor investment decision shall not be allowed.

	ii. Market failures, exchange closures - when markets are affected by unexpected events which impact the functioning of exchanges or the regular course of transactions. Such unexpected events could also be related to political, economic, military, monetary or other emergencies. iii. Operational issues - when exceptional circumstances are caused by force majeure, unpredictable operational problems and technical failures (e.g. a black out). Such cases can only be considered if they are reasonably unpredictable and occur in spite of appropriate diligence of third parties, adequate and effective disaster recovery procedures and systems. f. Restriction on redemption may be imposed for a specific period of time not exceeding 10 working days in any 90 days' period. g. Any such imposition requires specific approval of Board of AMCs and Trustees and the same shall be immediately informed to SEBI. h. When restriction on redemption is applied the following procedure shall be followed: c) Redemption requests upto Rs. 2lakh will not be subject to such restriction. d) In case of redemption requests above Rs. 2 lakhs, the AMC shall redeem the first Rs. 2 lakhs without restriction and remaining part over above be subject to such restriction. Units of the Scheme which are issued in demat (electronic) form will be transferred and transmitted in accordance with the provisions of SEBI (Depositories and Participants) Regulations, as may be amended from time to time.
